Rules:

Each game will be 5 innings. Unless we run out of daylight first.
Max Pitches per outing - 60 pitches. If a pitcher throws over 45 pitches, they need to take a day of rest. Pitchers can throw back to back days - max 25 pitches per day - no pitcher can throw three days in a row.
Team names are listed above with primary color (shirt) in name
Make sure to get out to school to get the field prepped and ready each day this week. We will also get it game ready after each game as well.
Catcher's will call balls and strikes and base coaches will call outs in the field.
Players must hustle on and off and stay in engaged even when not in the game.
Every player will get to start one of the first two games - but playing time beyond that is not locked in - both teams are working to win Series.
Game 1 - 10/21/26
Game 2 - 10/23/26
Game 3 if needed - 10/29/26 or 10/30/26 - TBD
