Guidelines to Lumbermen Baseball Activities in Stage 1 of Idaho Rebounds

CDA Lumbermen will begin limited baseball activities in accordance with the **Idaho Rebounds Stage 1: Protocols for Youth Activities (May 1 – May 15).** It is important to note that our program must also operate under the guidance from the Panhandle Health District, Cities of Coeur d'Alene / Hayden (fields) and Idaho American Legion Baseball. Practices will begin during Stage 1 and coaches will divide the teams into small groups of 9 players or less. Practices will be players only with parents asked to remain at a distance from the field.

Guidelines for Players and Coaches in Stage 1

- Players should arrive individually to practice and limit carpooling.
- No physical contact between individuals (Players and Coaches) during practice.
- Coaches will ensure players remain physically separated when arriving and leaving practice.
- Players and Coaches will sanitize hands when arriving and leaving practice (hand sanitizer will be provided).
- Players or Coaches that are not feeling well should not come to practice.
- No sharing of cups, water bottles and food. Avoid sharing baseball equipment (helmets, gloves) if possible.

Parent Commitment during Stage 1

- Drive your son to practice and limit carpooling. Older players should drive to practice alone if possible.
- Do not allow your son to practice and notify the coach if they are not feeling well.
- Remain at a distance from the field while your son is at practice.

Program Commitment during Stage 1

- Providing baseball in a safe environment that meets the Protocols for Youth Activities in Stage 1.
- The program will acknowledge and support decisions to not participate among youth, parents and adult leaders who are uncomfortable participating for any reason.
- The program will consult the local health district to notify adult leaders, youth and their families if the organization learns a participant or adult leader has developed COVID-19 and may be infectious to others while at a program activity.
- Upon the release of the Protocols for Stages 2, 3 and 4, the program will expand baseball activities as allowed.
