2019-20 HIGH SCHOOL SPORTS – ACTION PHOTOS

Dear Parents,

I am a professional photographer with 30-plus years of experience and a love of sports. I moved back to my hometown of Coeur d'Alene in December 2012 after living in the Washington, DC area for 15 years. While in DC, I had photo credentials with the Washington Nationals, Washington Capitals and other pro and college teams.

I enjoy photographing high school athletes in action and like to capture action photos for my senior portrait clients and other student-athletes. I am expanding the sports segment of my business and would love to photograph your student-athlete so you can sit back and enjoy the game.

Investment is $100 (paid in advance) and you receive digital images of your athlete with a print release. Delivery of images is made via Dropbox (free service) for download by the client, or client may provide a USB thumb drive. I also offer prints, canvas, statuettes and other products.

Please return the completed form below ***as soon as possible*** so that I'll have ample opportunity to photograph your student-athlete during the upcoming season! I look forward to working with you!
