Sponsorship Application

The Los Osos High School Baseball program is in need of your help. With recent cutbacks in school funding, it falls to the Baseball Boosters to provide the financial support necessary to assist our program in competing at an elite level. We rely on local businesses such as yours to help ensure that our quality program is maintained and constantly improving. Thank you so much for your generosity! We are proud to have you as a partner, and will do whatever we can to promote your business.
