25-26 Varsity and JV

Baldwin Boys Basketball invites you to support our student-athletes during the 2026–27 season!

Your sponsorship helps provide additional opportunities for our players to develop their skills and compete through out-of-season leagues. Sponsorship proceeds may also support team apparel, such as shooting shirts.

We appreciate any support you can offer and invite you to become a sponsor by selecting one of the packages described on the following page. We also welcome your ideas for other ways to support the program.
