Our committee appreciates your consideration in donating an item to our live or silent auction, which benefits young athletes. With your help, we are able to offer scholarships to players who otherwise might not be able to participate in summer baseball. It is a way you can “give back” to the community.

This has become a “must attend” event for anyone involved with youth sports and the baseball community. News releases will appear in the Denver Post and the Villager Newspaper. It is an extraordinary evening and we need and value your participation.

The Cherry Creek Diamond Club is a 501(c) 3 Corporation, Tax ID 14-1985908
