## Colorado Rockies/Coors Field Fundraiser

Buy your 2016 Colorado Rockies Tickets from the Mountain Range baseball program and save money while supporting a high school athletic program.

In 2016 Mountain Range High School will play an exhibition game against Pomona High School at Coors Field. Your valued support allows high school baseball players the rare and unique opportunity to play on a major league field while also acting as a major fundraiser for the baseball program.

How it works:

- Get one seat to *two* Colorado Rockies games for \$45 in the outfield box or two games for \$30 in the upper reserved, Infield. That is up to 64% savings off the face value for these games.
- **On the list on the back of this sheet, select one game from group A, and one game from group B. Identify if you would like to sit in the outfield box or upper infield reserve. Please write the number of tickets you would like for each game on the back of this form.**
- Purchase as many tickets for a set of games as you like; \$45 or \$30 for each set.
- Ticket orders can be taken up until April 11<sup>th</sup>, but must be received a minimum of three weeks prior to the date of the first game ordered.
- Tickets will be distributed through players and by mail (if necessary) beginning in February.

All tickets in the *outfield box* seats are located on the first level in sections 110-117 or 144-150 (shown by white arrows). All tickets in the upper infield reserve are in sections 321-340 shown by the black arrow. Tickets will be grouped as best as possible. For large orders, tickets will be in the same section. In the rare event that seats are sold out for a particular game, the best tickets available will be issued. All efforts will be made to ensure seats remain in the section selected by each purchaser.
