

SOUTH COUNTY PONY BASEBALL

WISH LIST 2016 - 2017

The South County Pony baseball league in Mission Viejo is in need of some necessary equipment and items to smoothly and safely operate the league for 2016-17. Our expenses are much higher than most leagues because we are a start-up league and pay for all of our own expenses. Also, we have very low player fees and do not have volunteers running snack bars nor do we require parents to umpire games. Please look at the items below and make a contribution to keep our youth players on the field. Any contribution you or your company can make is much appreciated and may be tax deductible. South County Baseball Association, Inc. is a non-profit 501 (c) (3) organization, tax ID# 81-1999724.
