2017 Spring Pacifica Season

Dear Local Business Owner,

The Pacifica High School Baseball Boosters Club is preparing for a new season. PHS Baseball Booster Club is a school sponsored non-profit organization that provides needed funding for our school's baseball program. Booster Club funds go towards off-setting the annual cost of uniforms, equipment, transportation and the general maintenance of our baseball facility.

This year we have kicked off several major projects designed to update the fields, batting cages, dugouts and the area where the players store their equipment.

Our school district's budget does not provide adequate funding for high school athletic programs. Funding for our program, as well as others, comes from community generosity. In order to provide our players with the best possible experience, we are asking for your help.

Donations may be made through several different advertisement opportunities. Field banners are displayed on our varsity field for the current season and offer the best display of your company's support. Our annual Mariner Baseball Media guide offers you several advertisement choices below. Additionally, we will post your advertisement on our website (www.pacificamarinersbaseball.com) that provides additional exposure of your company's name.

Grand Slam Sponsor \$1500-\$10,000 (includes banner and full page ad)

Homerun Sponsor \$ 500 -\$1000 (includes banner and full page ad)
