

Velocity Baseball 11U - USSSA Travel Team

Dear Potential Sponsor,

The team members of Velocity Baseball 11U would like to extend an opportunity for you to help their team pursue their dream of competing against the finest players and teams in this area as well as the country.

Velocity Baseball is a non-profit organization that competes in the United States Specialty Sports Association (USSSA). USSSA is the largest non-profit, volunteer sports organization in the United States and is dedicated exclusively to the promotion and development of amateur sports and physical fitness programs.

Donated monies are needed to cover uniforms, protective equipment, field rental, team equipment and tournament entry fees. Donations can be made on behalf of individual players or to the entire team which will be dispersed evenly to each player.

It costs each player **\$1,250.00** to compete on this elite level.

(This does not include travel, food and lodging or family member expenses.)

This is why we are offering individuals and businesses the opportunity of different levels of sponsorship to help offset some of the costs incurred.

Any monetary donation would be truly appreciated and would help out our players/team tremendously.

Donations to the 2011-2012 Velocity Baseball 11U are tax deductible, use our Tax ID#: 32-0270577.

As a contributor at a bronze level and above, you will receive advertisement (business name/logo and sponsorship level) on the team banner that will be displayed at all the tournaments, games, and events we participate in this season. As a contributor at a silver level and above, you will receive the same advertisement of the team banner as well as on our website, (business name/logo and sponsorship level) with a link created to your business website. If your business does not have a website, we can put your contact information with your consent to do so.

******If you are able to donate at this time, please complete the enclosed sponsor form.***

If you have any questions, or would like additional information about our organization or other ways to help our team, please contact:
