# *The President's Message*

**Welcome to the  
2013 Warwick Continental  
Little League baseball season!**

On behalf of the Board and the league, I would like to thank Steve Riley for serving as President for the past two seasons, and thank every one of the volunteers for their efforts over the past 53 years.

This year we have modified the Louis D'Abrosca Memorial Field to accommodate both our Majors Division as well as the new 50/70 Intermediate Division for 13 year-olds.

I'd like to thank Dan St. Laurent from NESS for his expertise, and our many volunteers for their hard work, in constructing one of the very few natural pitching mounds and grass infields in New England for both Majors and 50/70 play . Due to their efforts, Warwick Continental has been selected to host the first ever Rhode Island 50/70 Intermediate Little League Championship, and also been awarded the 9/10 year-old state championships.

The efforts to maintain our complex as the best in the state is not an easy undertaking. There will be many fundraising efforts during the year, and we ask for your support whenever possible. Please volunteer to help whenever you can.

I wish the best to all players and coaches, and most importantly, win or lose, that every player has an enjoyable and fun experience at Warwick Continental this season.

**Richard Petrarca**

## *2013 Instructional League*

Everyone associated with the Warwick Continental Little League wishes to thank the following team sponsors for their continued support:

***Modell's***  
***National Refrigeration***  
***Network Funding***  
***New England Drywall***  
***Ortiz Law***  
***OVO Moving & Storage***

This division will consist of 4 and 5 year olds and some 6 year old players. Both players and coaches will begin learning training skills and drills for improved play. At least one adult per player is required to be present for all practices to monitor and support their children. A fun-filled 2013 season will culminate with the "Claim to Fame" games.

This year's Instructional League will be comprised of a Tee Ball division. This division will offer young athletes an introduction to the fundamentals of baseball and sportsmanship. Volunteer coaches, providing the groundwork for successful Little League careers, will teach basic concepts. The coaches ask for parental involvement, both on and off the field, to assist them. Snack bar coverage, field maintenance and on-field coaching assistance are only a few of the areas where parents can help.

Please support Continental Little League and its activities. Parental involvement is essential for a successful Little League experience. Best wishes to all Instructional League players and their coaches for a safe, fun-filled 2013 season.

Instructional League Director ..... Matt Warhurst  
Player Agent ..... Christine Petrarca
