## **Welcome to the 2014 Warwick Continental Little League baseball season!**

This year, Little League Baseball will be celebrating the 75th anniversary of the first ever Little League game played on June 6, 1939 in Williamsport, Pa. Warwick Continental has been a part of this tradition for 54 years, and I express many thanks to all the players, volunteers, parents, and friends who have made this league a success for those 54 years.

**Richard Petrarca**  
*President*  
Continental Little League of Warwick

On Opening Day we celebrate the many years of hard work of Brenda Juhnowski by naming our snack bar “Brenda’s Kitchen” in her honor, in addition to naming her as an Honorary Director. Everyone at Continental past and present is grateful for the many years of service to the league.

I am pleased to report that, unlike most leagues throughout the state and country, we have maintained a steady number of players for the past three seasons. While due in part to the expansion of our boundaries into West Warwick and the addition of the Intermediate 50/70 division, much credit goes to the volunteers who have made our complex and fields the finest in the state, and to those dedicated to improving the quality of our baseball and player development.

Please help us continue the tradition by supporting our fundraising efforts throughout the year, supporting our sponsors, and, most importantly, by volunteering to help in any way that you can.

Best of luck to every player this season, and win or lose, let’s all keep in perspective that the objective of Little League baseball is to learn a little baseball and have a lot of fun doing it.

*Celebrating 25 Years  
Brenda Juhnowski, Honorary Director  
Our Snack Bar is now forever named  
"Brenda's Kitchen"*

# *2014 Instructional League*

Everyone associated with the Warwick Continental Little League wishes to thank the following team sponsors for their continued support:

**1149 Restaurant**  
**Boneheads Wing Bar**  
**Flood Ford**  
**Home Loan Bank**  
**SquadLocker**  
**Subway**

This division will consist of 4 and 5 year olds and some 6 year old players. Both players and coaches will begin learning training skills and drills for improved play. At least one adult per player is required to be present for all practices to monitor and support their children. A fun-filled season will culminate with the "Claim to Fame" games.

This year's Instructional League will be comprised of a Tee Ball division. This division will offer young athletes an introduction to the fundamentals of baseball and sportsmanship. Volunteer coaches, providing the groundwork for successful Little League careers, will teach basic concepts. The coaches ask for parental involvement, both on and off the field, to assist them. Snack bar coverage, field maintenance and on-field coaching assistance are only a few of the areas where parents can help.

Please support Continental Little League and its activities. Parental involvement is essential for a successful Little League experience. Best wishes to all Instructional League players and their coaches for a safe, fun-filled season.

Instructional League Director ..... Matt Warhurst  
Player Agent ..... Stacy Farrell
