

# **Wolves Excellence**

## **Academics**

Academics take precedence over athletics. Our Athletes are expected to be scholars and must achieve academic success.

## **Integrity**

Do what is right because it is the right thing to do.

## **Communication**

Communication with teammates and coaches is honest, safe, and respectful. Successful Teams talk effectively on and off the court!

## **Passion**

Don't be lukewarm, commit to Excellence with positive energy and relentless persistence.

## **Accountability**

Take responsibility for your own actions and think about how it affects you, the team, and your family.

## **Trust**

Believe in the integrity and reliability of your teammates, coaches, and program.

## **Humility**

Be willing to not think too highly of yourself and examine things you can work on. Those who humble themselves will be exalted.

## **Unity**

Team First. Sacrifice for each other. Brotherhood. Family.

## **Selflessness**

Lead by giving to others first. Make Teammates better!

## **Thankfulness**

An attitude of gratitude, grow both in victory and defeat.
