# DAVID FRANKLIN

Head Coach • Tenth Season

When David Franklin took over as head coach after the retirement of his father and long time Haynesville coach “Red” Franklin, he knew what it would take to keep up the tradition of the storied Tornado program.

He has not disappointed many. Franklin has lead the Golden Tornado to 83 wins, 9 playoff appearances, 5 district championships and a state championship in 2009. Franklin has also lead the Golden Tornado to victories over storied programs such as Oak Grove, Kentwood, and South Plaquemines.

Franklin was selected as the 2009 Class 1-A Coach of the Year by the LSWA. But, Franklin does not flaunt his accomplishments to others. Instead, he credits his success to his staff and players.

That is what makes Franklin a successful coach. Not that he constantly puts out great teams every year but that he teaches those great teams that there are more important things in life such as getting an education and becoming a man.

Franklin started his coaching career when he became an assistant coach at Haynesville in 1993. He has been part of 5 state championship teams as an assistant coach at Haynesville. Franklin held the duty of offensive coordinator on the 2000 state championship team that defeated Southern Lab 24-21 in New Orleans.

Winning did not come easy for Franklin. His first two seasons were marred by learning curves for both he and his team. However, Franklin has never failed to reach the playoffs during his stint as head coach. On average, Franklin has reached the third round of the playoffs during his head coaching career.

Not much has changed at Haynesville since Franklin took over. He once told a reporter that they like to keep things “old school” and that is exactly what he has done. He has managed to take a team that was ruled by his legendary father and make it his own, but without much change.

## NOTEBOOK

### The Oldest Series in the State

The Haynesville-Homer series is the oldest prep football series in the state of Louisiana. The Golden Tornado and the Pelicans have played since 1907 with Homer winning the first game 10-5. The two teams have played some great games in the past including the 1971 Class 2-A State Championship game played in Homer. The score was tied 7-7 at the end of the game but Haynesville was declared the winner with the most first downs (11-9). Haynesville also pulled off an upset in 2008 as Dextrell French caught a touchdown pass from Lance Reeves with just under 30 seconds left in the game to lead the Golden Tornado to a 21-14 victory.

### A Carriage Ride to Homer

When Haynesville traveled to Homer for the first game in 1907, it was recorded that the team rode by horse carriages and it took almost all day to get to Homer.

### Haynesville Brings 37-18 Record in Road Games under Franklin to Homer

Haynesville travels to Homer with a 37-18 record in road games under David Franklin. The last time that Haynesville lost on the road was on October 1, 2010 when North DeSoto defeated the Golden Tornado 41-21.

### Franklin has 83 wins at Haynesville; He's Averaging 8 Wins Per Season

Haynesville coach David Franklin recorded his 83rd victory last Friday night in the 34-13 win over Magnolia. Now in his tenth year at Haynesville, Franklin is 83-32 in his 115 games with the Golden Tornado. Only one coach in Haynesville history has won more games than the current head coach and his name happens to be Franklin also. Alton "Red" Franklin, father of David, currently holds a 365-78-9 record which also ranks him second in the Louisiana High School 200 Wins Category.

### Field Position Plays Another Role in Haynesville's Win

Haynesville's field position averaged on the Haynesville 49-yard line last Friday night, giving the Tornado a huge advantage on the start of each drive. Magnolia only crossed into Haynesville twice last Friday as the Panthers' average drive start was at the Magnolia 28-yardline.

### Haynesville-Homer Ties

Homer athletic director and former head coach Wayne Volentine was an assistant coach at Haynesville. Volentine coached under legendary Haynesville coach Alton "Red" Franklin. Current Haynesville assistant coach Tony Gantt played at Homer and was an assistant coach for the Pelicans up until last year.
