Session 2: June 27th-30th

Session 3: July 7th-10th

Steve Gervais is a native of the State of Washington and has been coaching high school football for over 30 years. As a head coach coach, he won 15 league championships and six state titles. Steve was an assistant coach at the University of Washington and also an Athletic

Director at Bishop Blanchet High School. Over the years of competing, a common denominator for his teams was the attendance at a summer team camp. While at camp, player's skills improved, team unity was strengthened and an attitude and belief developed that anything was achievable. It is for this reason Steve created the "Gridiron of Champions" Team Football Camp. His goal is to enable both the coaches and individual athletes develop the team skills and mental edge to compete for a Championship season.

The Basics:

Gridiron of Champions is a full contact camp for high school football programs. Steve Gervais Academy will be hosting the 2014 camp at the Evergreen State College in Olympia. This year there will be three respective sessions, each lasting four days and three nights. Most schools stay overnight in campus housing, but we do allow for some commuter schools. Campers and staff will eat at the Greenery, Evergreen's dining hall (Daily meals are included in the cost of the camp).

On the field:

Throughout the camp, individual instruction will be provided by the athlete's high school coaching staff. This allows the coaches from each high school to maximize the time spent with their team members---teaching fundamentals and skills that best suit their own athletes. Following individual instruction, each team will be involved in a team session. During this time, teams will have an opportunity to compete against one another. We staff the camp with former and current Division I, II & III football players who will be on hand to help coaches and athletes in any way possible.

After Practice:

Certified athletic trainers will be on site for all practices and will be available to assist athletes 24 hours per day. Evening activities include: 7 on 7 competitions, weight lifting, swimming, lineman challenges and team building activities.

Logistics:

Resident campers will not be permitted to leave camp at any time except by permission of the Camp Director and their Head Coach. Automobiles left on campus will be charged a parking fee of \$6.00 per day. The final day of camp will conclude with teams scrimmaging one another. Family members and friends are invited to attend the last day of camp to support teams during scrimmages. At the conclusion of the final day of camp, athletes and coaches will return to pack, clean and check out of their dorm. A staffer must approve your room and sign off your return of keys. A staffer must approve your room (damage assessment) and confirm that all keys are turned in.

Physicals & Insurance

All camp participants are required to provide a non-returnable physical fitness statement from their physician. Athletes will also be required to provide emergency information along with verification of medical insurance prior to participation. Athletes will not be permitted to participate without all forms filled out completely and turned in.
