The Metropolitan Interscholastic Conference is teaming up with WRTV-6 and HTSN to broadcast a "MIC Game of the Week" this high school football season.

The Friday night games will be broadcast live on HTSN and feature a conference regarded as the toughest in the state. "The conference has several state championships and terrific rivalries," WRTV-6 and HTSN vice president and general manager Larry Blackerby said today. "Teaming up with the MIC offers great local high school sports programming for viewers across central Indiana to enjoy."

Viewers will also be able to watch streaming of the games on WRTV-6 apps and TheIndyChannel.com. A pregame show will begin each Friday at 6:30 p.m., followed by the game airing live at 7. Encore airings will be shown on Friday night, Saturday morning and through the weekend on HTSN.
