Act 153 of 2014

In December 2014, the PA Legislature adopted Act 153 of 2014 as an amendment to a section of the Child Protective Services law requiring background checks for volunteers every three years.

Requirements for Volunteers

The Act modifies section 6344.2 of the Child Protective Services Law requiring background checks for volunteers. The requirement applies to adults applying for unpaid positions as volunteers in a position responsible for the welfare of a child or having direct contact with children (care, supervision, guidance or control of children, or routine interaction with children).

The Act requires volunteer applicants to submit the following background check information:

- **Act 34, Pennsylvania Criminal History Check** - Pursuant to 18 Pa.C.S. Ch. 91 (relating to criminal history record information), a report of criminal history record information from the Pennsylvania State Police or a statement from the Pennsylvania State Police that the State Police central repository contains no such information relating to that person. The criminal history record information shall be limited to that which is disseminated pursuant to 18 Pa.C.S. § 9121(b)(2) (relating to general regulations).
- **Act 151, Pennsylvania Child Abuse Clearance** - A certification from the department as to whether the applicant is named in the central register as the perpetrator of a founded report of child abuse, indicated report of child abuse, founded report for school employee or indicated report for school employee.
- **Act 114, FBI Criminal History Report** - A report of Federal criminal history record information. The applicant shall submit a full set of fingerprints in a manner prescribed by the department. The Commonwealth shall submit the fingerprints to the Federal Bureau of Investigation in order to obtain a report of Federal criminal history record information and serve as intermediary for the purposes of this section.

TIMETABLE FOR CERTIFICATION COMPLIANCE

- **CURRENT VOLUNTEERS WITH CLEARANCES ISSUED PRIOR TO DECEMBER 2015** - Clearances need to be updated before being allowed to volunteer and have direct contact with players and/or cheerleaders for the 2018 season.
- **CURRENT VOLUNTEERS WITH CLEARANCES ISSUED ON OR AFTER DECEMBER 1, 2015** – Clearances meet the requirements and individual is able to volunteer for the 2018 season
- **CURRENT VOLUNTEERS WHO DO NOT HAVE ANY CLEARANCES** - Clearances need to be completed before being allowed to volunteer and have direct contact with players and/or cheerleaders

Volunteer Notification

A volunteer is required to provide notice of an arrest or conviction of certain offenses or when the volunteer has been named as a perpetrator in a founded or indicated report within 72 hours of the arrest, conviction or listing as a perpetrator.

If the individual responsible for selecting volunteers has a reasonable belief that the volunteer was arrested, convicted or named as a perpetrator, the individual must require the volunteer to submit current information. The cost for these clearances will be borne by the entity, not the volunteer.

An individual responsible for selecting volunteers will commit a misdemeanor of the third degree if he or she intentionally fails to require these submissions from a prospective volunteer prior to permitting the volunteer to be in a position responsible for the welfare of a child and/or having direct contact with children.
