What is Canadian Tire Jumpstart?

Jumpstart gives kids a sporting chance. Jumpstart funding helps families that need a financial hand with registration, equipment and/or transportation costs. The program covers a wide array of sports and recreational programs, including basketball, soccer, martial arts, sports camp, tennis, yoga, and more!

Criteria for Funding:

- Parent/guardian must provide government documentation stating low-income status (CCB/OCB Notice).
- Children must be between 4 to 18 years of age.
- Applications are reviewed on a case-by-case basis. Funding is provided based on availability of funds.
- Reimbursements for program costs already paid by (or on behalf of) the family **shall not be granted**.

Sports and Recreation Guidelines:

- The program is designed to get children active. Participation must be in an organized sport or recreational physical activity.
- Funding goes to support an individual's participation in an activity, not to support teams or groups or to create an inventory of equipment.
- Funding should be for a sustained program that is either a minimum of five weeks duration with a minimum of one session per week or, in the case of sport camps, five consecutive days.

How to apply:

1. Register for jumpstart online: <http://jumpstart.canadiantire.ca/en.html>
2. Families must fully complete the application and attach a current **Canada Child Benefit and Ontario Child Benefit (CCB/OCB) Notice**.

Applications may be submitted at the following locations:

- City of Windsor community centres and recreational facilities
- Parks & Recreation Main Office 2450 McDougall Street, Windsor, ON N8X 3N6.

Families will generally be notified within 2-3 weeks of submitting their application. However, please note that depending on the volume of applications we may receive, the notification period may be subject to change.
