Dear Sponsor,

This letter is coming to you from the William Tennent Football Booster Club. We are a group of parents who have dedicated ourselves to providing positive experiences in football for our sons. We emphasize the importance of doing well in the classroom, developing admirable character, and being a good sport, regardless of the outcome of a game.

Although we are a relatively small football program we are strong and our player participation is growing every year. As we strive to revive the William Tennent football program to past glory, and to ensure the program has the same opportunities for development as our competition, we are finding many more expenses to cover. Funds raised through our sponsors will help to strengthen every level of our program.

We understand that you receive many requests for assistance from organizations such as ours. It is our hope that you will be able to assist us this year as we continue to work with our sons and their school in sports and prepare them for life as well as building a stronger community. We have enjoyed working with businesses in the community such as Kohl's Department Store, Greco Family Chiropractic, and Steam Pub as we connect our school with local businesses and would love to work with yours.

We would like to ask that you take a moment of your time to review the attached Sponsorship Package. With this sponsorship program we can proudly showcase advertising for your business on our website, game program, and football field. If you have any questions or concerns you may contact Joe Banks (Booster Club President).

Thank you for the opportunity to tell you about us and we look forward to working with you.

Kindest Regards,
William Tennent Football Booster Club
