WELCOME!

We are pleased that you can join us for the **TWO NATIONS COLLEGE PREP SERIES**. The series will take place over two weekends and is designed to showcase quality female hockey players striving to advance to the next level in two convenient venues, the first in Detroit in October and the second in Toronto in December.

Belle Tire will host the first series in Detroit October 27-29, 2017 and Brampton will host the second series November 30-December 4, 2017. There be almost 200 teams from across the US and Canada participating that will showcase the skills of over 4,000 talented female athletes from a diverse group of select teams.

We would like to extend an invitation to all interested scouts to each series. There will be private rooms provided for game evaluations. 2. Team official must complete on-line roster providing player’s names and numbers for score sheets prior to September 15, 2017 along with supplemental information for scout books. Any player/coach adds or deletions after September 15 must be noted on score sheets by team official prior to each game.
3. Copies of sanction/travel permits must be emailed along with pickup consent forms to 2nationstravelpermits@gmail.com prior to October 25, 2017. A copy of the USA Hockey, OWHA or local affiliate roster must be emailed to 2nationsrosters@gmail.com prior to September 15, 2017. Any team that has not emailed electronic rosters will need to provide a hardcopy at check-in.
4. All team officials (coaches and managers) must check-in by signing scoresheet prior to ALL games and correct roster as necessary. **Players will not sign in** for any game during the tournament.

RULES:

5. USA Hockey and MAHA rules shall apply except where listed below. Players and coaches may be subject to additional penalties by their governing body.
6. USA Hockey has modified its playing rules for the 14-and-Under age classification and all younger age classifications (youth and girls) to no longer legalize icing while a team is shorthanded. Beginning with the 2017-18 season, if a team ices the puck while shorthanded, it will result in a whistle followed by a defensive-zone faceoff. The team that commits an icing infraction will be allowed to change lines and/or players prior to the defensive-zone faceoff. This rule will be enforced in Detroit for the Series games.
7. There will be no protests. All decisions made by on-ice officials or by the 2 Nations College Prep Series organizers are final.

- 19.** Overtime will consist of 3 minutes stop time 3 on 3 (plus goalie). Penalties that do not expire by the end of regulation time will carry over into the overtime period. When penalties occur, non-penalized teams will add a player for each occurrence. Once there is a stoppage in play, it will return to 3-on-3 hockey. For example you could have a 4-on-4 or 5-on-4 or 5-on-5 as penalties expire. Friday and Saturday games will end at the conclusion of overtime. Sunday games tied after the overtime will progress to a shootout.
- Shoot Out's – each coach will select a group of 3 players for Round One of shoot-out at the end of overtime. The visiting team will always shoot 1st and then will alternate with the home team. If at the end of Round One the score is tied, each coach will send single players alternating in a sudden-death format until a winner is declared. No player can shoot twice until the entire dressed roster (excluding dressed goalies and ejected players) has shot. Referees will write down jersey numbers to ensure there are no early repeat shooters. The game and overtime period above will end as soon as a goal is scored. There will be no ice resurfacing during overtime.
- 20.** Each team is allowed one 30 second timeout per game.
- 21.** The overall standings will be determined by:
- 3 points for a win in regulation time
 - 2 points for a win in overtime
 - 1 point for a tie or overtime loss
 - 0 points for a loss in regulation.

Teams are seeded for Sunday games based on the total number of points accumulated after Friday & Saturday games. The highest seeded team will be the Home team in Sunday games.

- A. Head to Head competition – with 3 or more teams, all teams must have played each other and there must be an obvious winner.

- C. Goal quotient ($GF/(GF+GA)$). For the purpose of calculating this, the maximum goal differential in any round robin game will be capped by at 5. Any differentials greater than 5 will be deducted from the GF. Example: 8-2 game becomes 7-2.

- G. Flip of a coin.

Accordingly, the tournament committee has developed a balanced schedule for all teams in an effort to maximize the player's performance. As a result, the tournament committee may override the tie breaker rules based on strength of schedule.

23. All consolation games will be determined by the tournament committee in an effort to give everyone a chance to play the final competitive game against a new team whenever possible.
