The American Hearing Impaired Hockey Association (AHIHA) is one of the leading sports organizations in the United States serving deaf and hard of hearing athletes.

Founded in 1973 by National Hockey League Hall of Fame member Stan Mikita and Chicago businessman Irv Tiahnybik, AHIHA's mission is to instill confidence and self-esteem in deaf and hard of hearing athletes. AHIHA is much more than just a hockey camp; it is so much more than just hockey. The kids who come to the best hockey camp in the world... Chicago, are taught important life skills that will help them succeed in life and in hockey. "I will never forget the first day in the locker room when the kids looked around the room and were in awe!! We soon found out it wasn't just a hockey camp. It is so much more than just hockey." --Karen Cendidil
