

ABOUT THE TOURNAMENT

The Canisius College Men's Ice Hockey team has entered its 3rd season of intercollegiate Division 1 play. Since 2006, The Canisius Hockey club has competed at the highest levels of Division 3 hockey in the United States—finishing as league champions in two of the last three years. The Golden Griffins are still striving to win their first National Title in the ultra-competitive Division 1 of the ACHA Competition.

In 2013, Canisius will join the Northeast Collegiate Hockey League as an inaugural member. The competition next year will include University of Buffalo, Niagara University, RIT, St. Bonaventure, Cornell, Ithaca, Binghamton, Oswego, Cortland and Syracuse... In addition to their in-league schedule, Canisius competes on a rotating schedule with other top Division 1 ACHA programs such as Duquesne, Penn State, John Carroll, Kent State, the US Naval Academy, Michigan and others. The Canisius Golden Griffins play approximately 40 games per season including non-league and exhibition games, as well as the ECHL playoffs and the ACHA National Championship Tournament.

Program Amenities

Canisius Hockey players are provided with a first class college hockey experience. Players receive team apparel, full outer equipment including helmets, gloves, pants, practice jerseys, practice socks, etc... Canisius provides charter bus transport or airline transport to all games that are over 100 miles away in distance. Canisius employs an experienced coaching staff that includes former collegiate players with extensive playing and coaching resumes.

The Griffs have on-ice and off-ice practice 3 times per week in addition to their game schedule. Our home ice arena is located at nearby Dann Memorial Rink at Nichols School which is one of the finest ACHA facilities to be found.

- Buffet dinner, Awards Banquet & Chinese Auction

SPONSORSHIP DETAILS

Canisius College's American Collegiate Hockey Association team is attempting to raise funds to compete at the collegiate level. The College is only able to provide us with very limited financial support, which is not sufficient to meet the costs of competition in a collegiate environment. Nor is it sufficient to allow our team to grow, or to expand our competition schedule.

We have 30 members from all over North America who are very excited to expand our playing territory to other places such as Michigan and Ohio. This is one of our team goals besides expanding our team in order to increase the number of students that benefit from participation in a collegiate club sport. Also, we're hoping to allow as many members the chance to travel and compete against other collegiate teams in national tournaments. We want to support the growth of collegiate club sports and ice hockey across the country.

Each member pays dues every season. We are undergoing fundraising in order to meet the diverse costs of equipment, ice time, coaching, and traveling. We depend on the generosity of our sponsors in order to continue our program at the Canisius College. Any contribution would be greatly appreciated and your donation may be tax deductible. Please make any checks payable to "Canisius College ACHA Hockey" and mail them to the address on the back side of this letter.

We thank you in advance for your generosity!
