Team Organization

- Due to delays in getting registration site up and running, we don't have firm grasp on numbers for each age group.
- PVMH will be looking for rough idea of # of teams in MMH Aug 15 and firmed up numbers for Sept 15.
- For u9 group decided that if we have enough players for 5 or more teams we would continue with house league. If we have 4 teams or less would look at joining Pembina Valley league assuming PV could separate our teams into different divisions where they wouldn't just play against each other.

U15 AA

- MMH to run this team.
- Each of Morden, Carman Winkler will share hosting games, 5 each.
- Practice ice in Miami once Miami has ice in.
- Still working on finding ice for tryouts and early season practices.
- Tryouts weekend of Sept 16. Evaluators will be needed.
- MMH will also be responsible for finding coach / manager.
- Tyler to create google form for sign ups.

Coach/ Ref Clinics

- Hockey Manitoba site says Sept 1 they will make online coach clinics available.
- Oct 8 is the date for Ref Clinic in Morden (level 1 and 2)
- Ryan will add link to website.
- We have been notified that Hockey MB may be setting payment rates for refs this year.
- Mel is planning to make a change where MMH would issue payment to refs every 2 weeks via etransfer rather than cash at the game.

Equipment

- Everything seems to be ok from the flood. Jamie to contact the AEC to find out if there is insurance claim that we should be part of and also timeline for getting Huron Arena back to useable status following repairs etc.

Development

- Dion has package put together for coaches of younger age groups.

Female Hockey

- Need to provide numbers to PVMA by Aug 30
- Discussion of concession requirements for single roster females.

Fundraising

- Will purchase 250 raffle books to be available for registration night. Prizes will be cash, same as last year.
- Co-op gift card program in the fall.

Ice Scheduling

- Have had initial meeting with Agnes, working on improving process for booking.
- Pre-season ice is booked. Link to MMH calendar is now on website.
- Based on high number of registrants will add ice to 3 on 3 program.

Pre Season Programs

- 130 kids signed up so add ice to 3 on 3.
- Conditioning camp sign up deadline is Sept 9.
- Evaluations will finalize ice schedule once registration is closed. Look at using ice earlier in the week.

Minutes

- Will contact Ginette Major about being involved with creating the concession schedule.
