Minutes

Tournaments

- Mostly full at U13 and below. Female tournaments cancelled.
- U7 will retain their Saturday morning ice on tournament weekends.

Coach Coordinators

- All teams that have been formed have coaches.

Review:

Evaluations

- U9 players evaluated during conditioning camp and then coaches picked teams, went well.
- Weekend went well with lots of support from Executive and Volunteer evaluators and coaches.
- Feel that the format used works well. Evaluator consistency is the only weakness.
- Discussed small tweaks to program (reduce skills time, option for players to skip eval, communication to goalies).
