

Northland Hockey Skills Camp

The Northland Hockey Skills Camp coaching staff has over 50 years collective coaching, and hockey school instruction, experience from mini-mites to Jr. A levels.

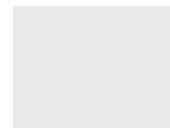

We employ a time tested teaching methodology designed to minimize on-ice idle time and maximize your child's skill development.

In addition to quality on ice instruction we offer a comprehensive off ice program that combines plyometrics, stick handling, and shooting stations.

Our main objective is to give your player the skills he needs to take his game to the next level.
