The South Anchorage High School boy's hockey team, for the 2015/2016 season, consists of a group of 40 dedicated players who commit a great deal of time and hard work to be superb student athletes, both on and off the ice.

The booster club provides important financial support throughout the season for such things as senior night, team meals and lodging when traveling, the End of Season Banquet costs for players and coaches, as well as a large portion of the costs of jerseys and socks that exceed what ASD covers.

We are asking for your consideration in making a donation on behalf of our players so we can continue to provide for the needs of the team and coaches, and to create a high school season that is memorable and enjoyable for all.
