(d) If new players are added to the team after the Form is submitted, the Form must be updated in the League Office.

(e) Notification of Select Player(s) released from the Club – or – back to the House League MUST be filed in the NYHL Office immediately.

(d) Affiliated Players may be used an unlimited number of times until January 10 of the current season. After January 10, players from "Chain Affiliation" teams may be used just five times; when used for the sixth time, they must remain with the higher category team and may not play in any exhibition, tournament or League game with the lower category team for the balance of the season. Players from the weaker or "B" team may be used as "APs" for the stronger team, but players from the stronger team can never be used as "APs" by the weaker team. The "B" team must use Affiliated Players from the Select age group below or the House League. If two teams of the same age group and from the same Club are designated to play in the same section of a Division, then both teams may only pull players from the House League or the age group below. (see also 5.3 b).

(d)If the sweater colour rule is being violated, a team, through its Team Captain, may request the Referee to enter on the game sheet, before the end of the first period, that the game is being played under protest. The protesting team should then follow standard protest procedure (see Article 15).

(e)Any team or Club failing to adhere to the above regulations on sweater colours in any game, except pre-season (unless special permission granted by League), shall be considered to have defaulted that game and the current default fee will apply.

9.8 Completion of Game Sheets

(a)**Full names (first and last)** of all players taking part in a game must be **printed clearly on all game sheets** with their corresponding sweater numbers.

(b)Designate Captain and Assistants by noting a "C" or an "A" next to the player's name. A team may have one Captain and/or not more than 3 Assistant Captains – or they can choose to have none. However, if the choice is to have none, then the team waives all rights to communication with the Referee (e.g., if a player is sent out of the game, the Referee will choose, from those on the ice, which player will be the one to sit out the penalty in the box. Also lost is the opportunity to request an equipment measurement or rule interpretation)

(c)Game sheets go first to the Coach of the Visiting Team. However, if by the start of the third period of the prior game, the Visiting Team Staff is not present, the Home Team is to be issued the game sheet.

9.9 Adding Player's Name to Game Sheet

The only circumstance where a player's name can be added to a Game Sheet is if it has been inadvertently omitted from the game sheet. The Referee shall permit the name to be added before the game ends; providing such player was in uniform and on the ice or his player's bench at the start of the game.(To be safe, If Team Officials think a player is coming to the game, the name should be entered on the game sheet.)

9.10 End of Games

(a) At the end of each game, coaches **MUST** hold their players at their bench. At the discretion of the Referee, one team will be directed to exit to the dressing room first. (See new rule [12.22](#))

(b)Team Officials must have dressing room doors open prior to the end of the game. Failure to do so will result in the suspension of the Team Officials for one game for the first offence, and three games for any subsequent infraction. Referees will record such infractions as GM 99.

c) It is the Team's responsibility to collect their copy of the game sheet from the Timekeeper. A player from the last shift (usually the Captain or Asst. Captain) should be designated to pick up the game sheet from the timebox before leaving the ice.

(d) Water Bottles are not to be emptied over the boards at the Bench as this causes dangerous ice build-up along the Boards. Take them to the Dressing Room and use the sink or shower to empty them.

9.11 No Show Policy

(a) If one team does not show up for their game, the team that is present goes on the ice as soon as it is available. The clock is set to 10 minutes – when this runs out, the game is officially declared as a “No Show”. The clock is then set to 30 minutes – when this runs out, the next game or flood will start.

(b) If a team has been delayed due to going to a wrong arena or being held up because of weather or travel delays, and the cashier is notified, the game can be held up a maximum of 15 minutes (as time allows). The late team is responsible for getting six players dressed and on the ice as soon as possible or suffer delay of game penalties.

9.12 Defaulted Games

(a) Any team which defaults a scheduled League game will be subject to a default fee of \$250 payable immediately. Any team defaulting a scheduled game **on October 31st** shall be subject to a \$500.00 fine and suspension of team staff until the fine is paid.

(b) Any team/Club failing to pay said fine may be removed from further competition permanently or until the fine is paid, at the discretion of the President.

(c) Upon deliberately failing to play a scheduled game, the team staff shall be suspended pending a disciplinary hearing before a Special Committee.

(d) A team defaulting any game in a playoff series may be barred from further play in the series. All previously scheduled games played by said team will be recorded as wins for the opposition team in that round only.

ARTICLE 10 – RULES OF PLAY

10.1 Hockey Canada Rules to Apply

The Rules of Hockey Canada shall apply except as varied from time to time by the NYHL. It is the responsibility of each coach, manager and Club Official to have knowledge of the NYHL Rules.

10.2 Referee's Authority

(a) In a game situation, the Referee shall have full authority and the final decision in all matters under dispute except game times, start of games and periods.

(b) The Referee's decision shall be final on all questions of fact and not subject to appeal.

(c) Referees and Game Officials must be treated with courtesy at all times by all players and officials of all Clubs. A “Mutual Respect” rule is in effect.

(d) No Club Officials, Team Officials, players or spectators are permitted to enter the Game Officials' dressing room at any time. Suspensions will be levied for infractions of this rule.

10.3 Entering the Ice Surface

(a) Any team guilty of going on the ice surface before the Zamboni has left the ice and gates are fully closed will receive a Bench Minor penalty. Repeated offences may result in more severe penalties, at the discretion of the President.

(b) Team Officials are prohibited from walking across the ice to get to or from the benches. This is a City by-law and also falls under the NYHL policy of risk

management. Hockey Canada's insurance does not cover Team Officials injured in such circumstances. All such incidents will be reported to the Disciplinary Board for its action and may result in a Game Misconduct penalty being assessed the offending Team Officials.

(c) Team Officials may not step on the ice surface after the start of the game without the permission of the Referee. Failure to comply may result in a Game Misconduct penalty being assessed the offending Team Officials.

10.4 Protective Equipment

(a) All equipment must be CSA approved.

(b) All protective equipment must be maintained in a safe condition. It will be at the discretion of the game Referee to decide if this protective equipment is in a safe condition and, if not, they may rule such equipment unfit for use in the game.

(c) Any player who is considered to be wearing excessive tape on their hands, or is found to be carrying dangerous equipment concealed therein or in their gloves, shall be assessed a Match penalty. The coach of said player(s) shall be suspended five games.

(d) All protective equipment except gloves, headgear or goaltenders' leg pads, must be worn entirely under the uniform. Leather elbow patches on the outside of the sweater and palmless gloves are prohibited. After one warning by the Referee, a Minor penalty shall be imposed on the offending player for the violation of this rule.

(e) Each and every time any player or goalkeeper steps onto the ice with non-CSA certified equipment while taking part in an NYHL game, an automatic two minute Minor penalty will be assessed for use of illegal equipment and/or being improperly equipped.

(f) The use of supplemental oxygen is prohibited.

10.5 Goalkeeper's Helmets, Masks and Throat Protectors

(a) Goaltenders in all divisions shall be required to wear a CSA approved hockey helmet to which a CSA approved facial protector has been securely attached by a qualified person and not altered in any way. Any alteration to either helmet or facial protector automatically destroys certification. **Two newly prohibited items are the WJD Pro Ice Hockey Goaltender Helmets, serial numbers 17619 & 17620 plus the WJD Pro "Cat Eye" Face Protectors.** Any goalkeeper using illegal headgear in a game will not be allowed to continue in the game unless approved equipment is substituted.

(b) When a goaltender loses their helmet, play shall be stopped immediately. Any such deliberate action by the goaltender shall result in a Minor penalty for "Delay of Game". If this deliberate action occurs when an opponent is on a breakaway over the centre red line, or occurs during the last two minutes of regular playing time, a Penalty Shot shall be awarded to the non-offending team.

(c) All goalies must wear CSA approved helmets and masks at all times. This applies when on the ice, on the players' bench, in the penalty box and while leaving the ice.

(d) Cooper Protector GTP affixed to the Cooper helmet is acceptable. Throat protectors must be BNQ approved. Any deviation must be approved through the NYHL Office.

10.6 Goalkeeper's Pads

(a) New pads shall not exceed 12 inches (30.48 cm) in width as measured on the goaltender and shall not be altered in anyway.

(b) Puck foil (a piece attached to the bottom of the goaltender's pads designed to stop the puck) is considered illegal equipment.

10.7 Goalkeeper's Gloves

Any pocket or pouch or contrivance added to the goalkeeper's glove by the manufacturer or otherwise is not acceptable and makes the glove illegal.

10.8 Player's Helmets and Masks

(a) To maintain valid insurance coverage during every game and practice, all players must wear CSA approved helmets and CSA approved shields or full masks at all times. This applies when on the ice, sitting on the bench, in the penalty box and while leaving the ice. For the first violation of this rule, a warning shall be issued to the team. The second violation will result in a Bench Minor penalty being assessed against the offending team. The wearing of said helmets and shields is mandatory for all age groups.

(b) The CSA approved hockey helmet for players and goalies must have the facial protector securely attached and neither can be altered in any way. Any alteration to either automatically destroys certification and will cause the helmet to be deemed uncertified illegal equipment and will be treated accordingly by the Referee.

(c) Chinstraps of the helmet must be worn and securely fastened immediately under the chin. The strap of the facial protector shall also be securely fastened to the hockey helmet. Failure to do so will result in the player being charged with a two minute penalty for playing with improper protective equipment.

(d) All helmets are required to have ear guards. If they are missing, the helmet will be deemed uncertified illegal equipment and will be treated accordingly by the Referee.

(e) Players shall remove helmets during the playing of national anthems.

10.9 Loss of Helmet During Play

(a) When a player loses their helmet while on the ice, they must go immediately to the player's bench. Failure to do so will result in the player being charged with a two minute penalty for playing without proper protective equipment.

(b) If a player deliberately removes their helmet to fight or to challenge an opponent to fight, they will be assessed a Gross Misconduct.

(c) Where a player wears a helmet and/or facial protector in an offset position during play, play shall be stopped and a Misconduct penalty will be assessed to the player.

(d) If the Referee's attention is drawn to the possibility that a facial protector or helmet may not be certified (CSA approved), or if the Referee observes that a facial protector or helmet may not be certified, and should that piece of equipment in effect turn out not to be certified, the Referee shall assess a Minor penalty and at the same time order that illegal piece of equipment removed from the game.

(e) The Referee is empowered to make such calls through the Captain, without their attention being drawn by an opposing player or Team Official.

10.10 Player's Throat Protectors

All players must wear BNQ approved throat protectors. The BNQ certification label must appear on the piece of equipment. A two minute Minor penalty will be assessed for infractions.

10.11 No Jewellery

Players are prohibited from wearing personal jewellery of any kind during a game in which they are participants. Violations will result in the offending team being assessed Bench Minor(s) and the offending player(s) being prevented from participation until such time as the jewellery is removed. If the offending player(s) attempt(s) to re-enter the game without removing said jewellery, they will be assessed a Gross Misconduct.

10.12 Injured Players

When the clock has been stopped due to an apparent injury to any player (other than the goalkeeper), said player must sit out at least one stoppage of play before returning to the ice. Failure to leave the ice will result in a two minute Bench Minor penalty for delay of game.

10.13 First Aid Kits

All teams must carry with them, and have on the bench, an adequately equipped first aid kit with a minimum of antiseptic, scissors, band aids and gauze as well as pressure, triangular, 1" and 2" bandages. Failure to carry a first aid kit will result in a Bench Minor penalty and a \$25 fine.

10.14 AIDS Awareness

(a)The risk of contacting human immunodeficiency virus (HIV), which causes Acquired Immune Deficiency Syndrome (AIDS), is a risk in our society. While the risk of transmitting HIV during a sporting activity such as hockey is minimal, everyone must take appropriate precautions to reduce this risk.

(b)When attending to an injured player with an open wound, avoid direct contact with blood products and bodily fluids. It is strongly recommended that anyone attending to an injured player should wear waterproof gloves. Any player with a bloody wound should be removed from further participation until the bleeding is stopped and the wound is covered with a dressing. All equipment with blood on it must be removed and either rinsed off or replaced.

10.15 GREATER TORONTO HOCKEY LEAGUE POLICY – CONCUSSIONS

Background (as defined by the Brain Association of America and the Canadian Academy of Sport Medicine.)

* A concussion may be sustained through a variety of mechanisms. A direct blow to the head, blow to the jaw, sudden twisting or shearing force, and a sudden deceleration of the head (similar to a “whiplash” – type injury) can all produce concussive signs and symptoms.

* Both closed and open head injuries can produce a concussion. A concussion is the most common type of traumatic brain injury.

* A concussion is caused when the brain receives trauma from an impact or a sudden momentum or movement change. The blood vessels in the brain may stretch and cranial nerves may be damaged.

* A person may or may not experience a brief loss of consciousness (not exceeding 20 minutes). A person may remain conscious, but feel “dazed” or “punch drunk”

* A concussion may or may not show up on a diagnostic imaging test, such as X-rays, CAT Scans and MRI's.

* Skull fracture, brain bleeding, or swelling may or may not be present. Therefore, concussion is sometimes defined by exclusion and is considered a complex neurobehavioral syndrome.

* A concussion can cause diffuse axonal type injury resulting in permanent or temporary damage.

* A blood clot in the brain can occur occasionally and be fatal.

* It may take a few months to a few years to heal.

The GTHL believes that the participants' safety and health is paramount and should be first and foremost in determining the most appropriate time in which a player may return to play once that individual has suffered a suspected or identified head injury.

GTHL POLICY:

(1) Any player who suffers a SUSPECTED Concussion must stop participation in the hockey activity immediately. If there is doubt as to whether a concussion has occurred, it is to be assumed that it has and that the player's parent/guardian be encouraged to have the injury properly diagnosed at a hospital asap. A hockey activity is defined as any on-ice or off-ice team function involving physical activity.

And –

(1) Any player who is diagnosed by a medical Doctor with any grade of concussion must stop participation in all hockey activities immediately. A hockey activity is defined as any on-ice or off-ice team function involving physical activity.

(2) Team Officials are responsible to recommend to the individual's parent or guardian that they seek medical attention immediately, especially if the injury was incurred in any form of hockey participation.

(3) The participant is not permitted to return to any hockey activity until written permission is given by a medical Doctor.

(4) Copies of such documentation MUST be submitted to the League Office prior to the participant's return to any hockey activity.

See Concussion Signs, Symptoms, Awareness Page 38-39?????.

10.16 Reporting of Injuries

(a) In the case of an injury, Coaches/Managers should obtain a Hockey Canada Injury Report Form from their NYHL Rule Book, their Club Contact or the League Office.

(b) Ensure the Team Official(s), player, parent, physician and others complete the Form where indicated.

(c) The Form must be submitted within 90 days of the accident (to the address at the bottom of the back page of the report). Attach a copy of the game sheet and any bills that are to be claimed. If bills are not yet available, submit the Form and game sheet anyway.

(d) If no Injury Report Form is filed within 90 days of the incident, Hockey Canada will not have any record of the accident ever having taken place, nor will a claim file have been opened to receive any subsequent bill claims. This could invalidate the chances of claiming at a future date.

ARTICLE 11 – BEHAVIOUR

11.1 Standard of Behaviour

(a) The cooperation between our League and the arenas in which our teams play is, to a great extent, determined by the deportment of our fans, players and Officials. Therefore, a high standard of behaviour is expected of all spectators, players, team, game and league officials.

(b) **Team Officials and Players** should show respect for arena staff, and never use abusive language to these personnel.

(c) **Spectators, Team, Club, League and Game Officials; plus Players** are expected to behave in a sportsmanlike manner at all games, whether regular season, exhibition, playoff or tournament. Spectators, Team, Club, League and Game Officials plus Players shall NOT use abusive, profane or discriminatory language that is directed at any other person. Any act of physical violence, or threatened physical violence, by any Spectator, Team, Club, League or Game Official or Player against any other person (other than physical acts that are part of the game of hockey) will Not be tolerated. No Team, Club, League or Game Official or Player shall engage in conduct, whether on or off the ice, that brings the League, any Club or Team into disrepute.

d) **Ejection From Game.** Any Spectator, Team, Club or League Official or Player who behaves in a manner that does not meet the standard set out in Rule 11.1 c) may, in the Game Official's discretion, be ejected from the game or playing area of any game. In the case of any Team or Club Official or Player participating in the game, any such ejection may be in addition to any penalty that may be imposed by the Game Official under the rules of Hockey. In the case of ejection of a Spectator, the onus of ensuring that the Spectator obeys the ejection falls upon the Team to which the Spectator is related. The Game Official may delay any game until any ejection is complied with.

e) **Banishment of Spectator.** Any spectator whose conduct in an arena is found by the Board or any Special Committee to be disruptive and not conducive to the well being of the game may be banned from such arena(s) as determined by the Board or Special Committee for a specified period of time. The onus of enforcing such a ban falls upon the Club to which the Spectator is related.

(f) OHF Code of Conduct

This Code of Conduct identifies the standard of behaviour that is expected of all Ontario Hockey Federation (OHF) Members including athletes, coaches, parents, directors, volunteers, staff, chaperones and others.

OHF, Member Partners, and League Associations are committed to providing a sport environment in which all individuals are treated with respect. Members of the OHF shall conduct themselves at all times in a fair and responsible manner. Members shall refrain from comments or behaviour, which are disrespectful, abusive, racist or sexist. In Particular, behaviour which constitutes harassment or abuse will not be tolerated by the OHF, Member Partners, and League Associations.

During the course of all OHF, Member Partners, and League Associations' activities and events, members shall avoid behaviour which brings OHF, Member Partners, and Local Associations or the sport of hockey into disrepute, including but not limited to abusive use of alcohol, and non-medical use of drugs.

Members shall not use unlawful or unauthorized drugs/narcotics or performance enhancing drugs or methods.

OHF members shall at all times adhere to OHF, Member Partners, and Local Associations operational policies and procedures, to rules governing the OHF, Member Partners, and League Associations events and activities and to rules governing any competition in which the member participates on behalf of the OHF, Member Partners, and League Associations.

Members of the OHF, Member Partners, and Local Associations shall not engage in any activity or behaviour, which endangers the safety of others.

Failure to comply with this Code of Conduct may result in disciplinary action, suspension or release from membership. Such action may result in the member losing privileges that come with membership in the OHF, Member Partners, and Local Associations, including the opportunity to participate in OHF, Member Partners, and Local Associations' activities. (Harassment or abuse will not be tolerated by the OHF, Member Partners, and League Associations.)

(g) Fair Play Code for Coaches,

FAIR PLAY CODE FOR COACHES

1. I will be reasonable in scheduling games and practices, remembering players have other interests and obligations.
2. I will teach my players to play fairly and to respect the rules, officials, and opponents.
3. I will ensure that all players get equal instruction, support and playing time.
4. I will not ridicule or yell at my players for making mistakes or for performing poorly. I will remember that players play to have fun and must be encouraged to have confidence in themselves.
5. I will make sure that facilities and equipment are safe and match the players' age and abilities.
6. I will remember that participants need a coach that they can respect. I will be generous with praise and set a good example.
7. I will obtain proper training and continue to upgrade my coaching skills.
8. I will work in cooperation with officials for the benefit of the game.

11.2 Damage to Arenas

(a) Before allowing players to enter a dressing room, a Team Official should check the assigned dressing room, with specific attention being given to the washroom and shower facilities. In the event that any damage is noticed, it should be brought to the attention of the Cashier (a member of the NYHL staff) and the arena management immediately, or the team runs the risk of having the damage attributed to the team and the cost of repairs charged to the team and its Club.

(b) Dressing rooms must be left as clean as possible. Trashcans placed in these rooms must be used for all litter, especially for used tape. **Billed** clean-up costs for any dressing room **reported as being** left in an excessively untidy state will be charged to the team and the Club that used the room last, **plus a \$100.00 fine will be levied.**

(c) A check should be made by a Team Official following the players' departure from any dressing room after a game or practice. This means that a

Team Official should be the last one out of the dressing room. This also acts as a safeguard for any equipment or belongings that could accidentally be left behind and eliminates the risk of potential loss.

(d)Some players' emotions following a lost game or ejection from a game may result in an exhibition of temperament and sometimes intentional and/or unintentional vandalism. Team Officials should make every effort to ensure that this does not happen. Be aware that bills to repair any damage will be forwarded to the team and the Club.

(e)Any defects to bench and penalty box areas (e.g., door shutting mechanisms, mats, benches, etc.) or within the ice area itself (e.g., boards, railings, etc.) should be reported to the arena management, Referee and/or Cashier immediately in order to avoid potential injury. Referees are to see that these defects are noted on the back of the white portion of the game sheet by themselves or the Timekeeper.

11.3 No Smoking

All arenas are "Smoke Free" facilities. A two minute Bench penalty will be assessed for smoking on or near any player bench.

ARTICLE 12 SUSPENSIONS AND PENALTIES-(see also Article 11 Behaviour)

12.1 Jurisdiction of the League

All players and Team Officials are subject to NYHL discipline while any NYHL activity is in progress, from the time they enter the parking lot until they leave it, whether participating in a game or not.

12.2 General Provision for Suspensions

(a)Any violation of the Constitution, By-laws, Rules or Regulations of the NYHL or decision of the Board of Directors by any individual member of the League (Club Official, Team Official or player) shall render such member liable to suspension by the President or a Special Committee.

(b)Any suspension by the NYHL President of six games or less for any single infraction shall be without right of appeal.

(c)All automatic suspensions shall be without right of appeal, except as noted in (d) and (e) below.

(e)Any player or Team Official who physically abuses, strikes or attempts to strike any Game Official in any way shall be assessed a Match penalty and shall automatically be suspended for a minimum of seven games from the date of the infraction, with the right to appeal within seven days.

(f)Should the President see fit to assess a longer suspension, teams will be advised through their Club Liaison.

12.3 Team Officials Responsible for Enforcing Suspensions

Team Officials are responsible to see that any penalized player and/or Team Official sits out all suspendable penalties as noted on the game sheet.

12.4 Conduct When Suspended

(a) A player or Team Official, when assessed a Game Misconduct, Gross Misconduct or Match penalty, shall go immediately to the team dressing room and remain there for the balance of the game or go home.

(b) At no time are any ejected players or Team Officials allowed to return to the bench or spectator areas.

(c) While under suspension, a player or Team Official may not enter the dressing room before, during or after games, or be in the vicinity of their team's or the opposing team's bench or any dressing room.

(d) Team Officials, while under suspension, may not conduct coaching activities from anywhere in or around the arena. Use of electronic equipment is prohibited.

(e) Violation of these rules shall be reported to the President and additional disciplinary action may result.

(f) If a player or Team Official under suspension of any kind participates in any NYHL game(s), whether it is with their own team or an affiliated team, the said game(s) will be recorded win(s) for the opposing team(s). The offending player may receive an additional minimum two game suspension and the Team Officials of the offending team may receive minimum suspensions of six games each.

(g)-i Any player or Team Official suspended for more than three games is prohibited from participation in any exhibition or tournament game until the suspension has been served in League game(s). Suspensions totaling three games or less MUST be served out in Select League play only, thereby allowing the perpetrator the opportunity to attend tournaments or exhibition games. Should any of them receive a suspension that is not fully served by the completion of the League season and playoffs, the remainder of that suspension may carry over to the next season, regardless of whether they register with the same or a different Club in the next season.

ii When playing in a tournament, suspensions earned there must be served in the tournament as much as possible. When the tournament play is over, any portion of the suspension not yet completed must be served in N.Y.H.L. Select play. (see 13.3 -I v). Suspensions earned in exhibition games must be served in N.Y.H.L. Select play. (see 13.1 e)

(h) Players, Team Staff or Referees receiving suspensions while playing as "AP's" may not play, be on a team bench or referee anywhere until the suspension has been served in the age group where it was earned. Team Staff receiving a suspension while playing or coaching may not play, be on a bench or referee anywhere until the suspension is served.

(i) Suspensions earned in tournaments and not completely served during the tournament must be completed in regular Select League games.

(j) Team Officials found guilty of knowingly using an overage player or any ineligible player, including affiliate players where the "AP" is not shown on the game sheet, may be suspended a minimum of six games and/or the score of the game may be reversed, at the discretion of the Disciplinary Board.

(k) Any Team Official or player found guilty of allowing false information to appear on a player's Registration Certificate or Team Listing Form, or who knowingly makes a false representation to the NYHL, shall be suspended for a period to be determined by the President or a Special Committee.

(l) Clubs/teams which knowingly play against ineligible players/Team Officials and who willfully conceal the knowledge from the NYHL shall be considered equally as guilty as the offending Club/team and shall be judged accordingly by the President or a Special Committee.

(m) Any Team Official or Game Official who knowingly participates in a game with a suspended Team Official or player is automatically suspended.

12.5 Body Checking Begins

Body checking begins at the Minor PeeWee level.

12.6 OHF Minimum Suspension List (check Index for page numbers)

Penalized Team Staff may receive an additional game for each infraction incurred.

****New 12.7 H.C. Standard of Play Initiative**

At the A.G.M., May, 2006, Hockey Canada elected to adopt very strict penalty standards for hooking, holding, interference, tripping, cross-checking, and slashing! (visit <http://www.nyhl.on.ca> to access document)

The basic tenets of these standards are:

- a) **Use of the stick is limited to playing the puck.**
- b) **Restraining or interfering with an opponent in any fashion is NOT permissible.**

12.8 Game Misconducts

A five minute Major penalty now carries an automatic Game Misconduct. Persons receiving such a penalty shall not participate in at least their next scheduled League game. (Refer to OHF Suspension List – check Index for pg.#)

12.9 Checking from Behind

(a) A Minor penalty plus Game Misconduct or a Major penalty plus Game Misconduct, at the discretion of the Referee, based on the degree of violence of the impact, shall be assessed any player who intentionally pushes, body checks or hits an opposing player from behind, anywhere on the ice.

(b) If either call is made at any time in the game, the player is suspended. A player assessed a Minor penalty plus Game Misconduct must sit out the next game. A player assessed a Major penalty plus Game Misconduct must sit out the next three games.

(c) If a player is injured, a Major penalty plus Game Misconduct must be assessed. A Match penalty could also be assessed under this rule.

(e) A Major penalty plus Game Misconduct will be assessed any player who injures an opponent with a slash.

12.12 Fighting

(a) Any player charged with fighting will be removed from the game and will receive a five-minute Major penalty plus a Game Misconduct, which carries an automatic suspension from the next scheduled game.

(b) When a fight occurs, all other players except the goaltender shall immediately retire to the front of their respective benches or (should the fight occur in front of a players' bench) to a neutral zone designated by the Referee, and remain there until the Referee calls them back to resume play. The goaltenders must stay in their goal creases or proceed to a neutral zone as designated by the Referee. Any player(s) refusing to do so after being instructed by the Referee shall be assessed a Misconduct penalty plus any other penalty they may incur.

(c) The penalty box shall be considered as part of the playing surface, as shall the area leading to the dressing rooms. A player or Team Official who is involved in a fight in the penalty box or in the area leading to the dressing rooms and/or is designated by the Referee as being the instigator of said fight shall be suspended for four games minimum in addition to other penalties incurred, and shall be reported to the President.

NEW (d) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed to any player who is guilty of unnecessary rough play.

(a) The carrying of sticks above the normal height of the shoulder of the opponent is prohibited.

(b) A player who contacts an opponent above the normal height of their shoulders with a high stick, or who checks or intimidates an opponent while carrying their stick above the normal height of the shoulder of their opponent, shall be assessed a Minor or Major penalty plus Game Misconduct, at the discretion of the Referee. If injury results, a Major penalty plus Game Misconduct shall be assessed.

(c) A Match penalty shall be assessed any player who deliberately attempts to injure or deliberately injures an opponent with a high stick.

(d) Contacting the puck above the normal height of the shoulder with the stick is prohibited, and when it occurs, play shall be stopped and the ensuing face-off shall be at the spot where the offence occurred unless:

(i) A player on the non-offending team obtains possession and control of the puck, in which case the play shall continue.

13.2 Early Season Ice for Games

NEW – SELECT TEAMS MAY NOW BE FORMED SEPTEMBER 1ST.

The League has ice starting the Tuesday after Thanksgiving and can provide games for those coaches who wish to use it. The League books this ice for Clubs to use to establish their Select teams in lieu of taking ice away from their House Leagues. It is not necessary to have formed teams to use this ice. A maximum of 3 goalies and 20 skaters may be iced until the day after the Coaches and Managers Meeting.

(b) Any team wishing to enter a tournament must first make application to the NYHL Office in writing via a "Permission to Attend Tournament and Insurance Validation Form" accompanied by \$10 cash permission fee. Forms will be discarded if not accompanied by said fee. Insurance coverage is invalid unless the sanction has been given. **Do not book travel plans/hotel rooms or pay fees until the validated permission form has been returned to the team.**

(c) Playing in a tournament without permission invalidates a team's insurance plus that of all other teams, and can cost the host club the right to operate a tournament in the future. Team Officials could also become liable for any injuries incurred. Team Officials will be indefinitely suspended by the League, as may players. Any team entering a tournament without a properly signed and stamped form will be fined \$500.

(d) A copy of all tournament game sheets must be submitted to the NYHL Office within 48 hours after the tournament ends. (h) Applications must be signed by the Club Liaison only.

(i) For potential tournaments **or any other special events**, Clubs should notify the League Office of potential dates **at least 5 weeks prior to the Tournament or event** in order to assist with scheduling. (j)(i) For tournaments taking place during the last two weeks of the regular schedule, teams will be granted conditional permission only. In March and April, no permission will be given for out-of-town tournaments unless the team is out of playoffs. For Toronto-based tournaments, conditional permission will only be granted for one Local Tournament if the NYHL receives assurances in writing, on letterhead from the Club running the tournament, that they will work around NYHL scheduled games. The League will not work around tournament games at playoff time. During this period, League games will take precedence if a conflict occurs. Copies of local tournament schedules are required.

ii) **Permission granted to teams /Clubs entering or hosting local tournaments in regular season or play-offs means the NYHL will work around the tournament schedule but does not preclude teams playing NYHL scheduled games as well.**

Teams whose Clubs host Tournaments during NYHL Play-offs may not enter any other Tournament until they are out of Select League Play- offs.

Permission may be granted for teams to enter tournaments provided the following requirements are adhered to without exception:

(i) Permission may be granted to enter more than three tournaments provided the tournament is during Christmas week or Easter weekend (that single Friday, Saturday and Sunday only) **and they have not already used up the five event/tournament restriction.**

(ii) A "Permission to Attend Event/Tournament and Insurance Validation" form is received by the League Office **five** weeks prior to the occasion and approved.- Insurance becomes invalid if approval is not granted. Never pay tournament fees or book rooms and/or travel arrangements until the validated copy of this form has been returned to the team

(iii) A team **may never** enter two tournaments running at the same time.

(iv) Any suspensions incurred in a tournament and not completed there must be completed in Select League play.

13.4 Changes to Scheduled Games

(a) Teams or Clubs that cause changes to be made to the formulated NYHL schedule **due to lack of properly submitted information** will be subject to a **fine of \$150 per change**, to be paid prior to the next League game.

(a) Protests regarding games played must be in writing, and such protests, together with a summary of any evidence to be submitted, shall be prepared in triplicate: one copy for the League Office, one copy for the protesting Club/team, and one copy for the Club/team protested against. The following procedure shall be followed:

(i) Timing: Protests, in writing and supported by evidence, shall be delivered by the protesting Club into the hands of the opposing Club and the League Office within 48 hours of the incident under protest. In the event that such protest cannot be delivered within normal business hours to the League Office, the protesting Club shall advise the League by e-mail or fax that the protest will be delivered within the 48-hour period to the League Office and the opposing Club. In all protest situations, time shall be of the essence.

(ii) Form of Protest: The protest shall be in writing and shall stipulate the rule/regulation under which the protest is laid, and shall be counter-signed by the Club President or NYHL Liaison of the protesting Club. ARTICLE 17 – HOSTING TOURNAMENTS

17.1 Hosting Tournaments

(a)GTHL approval must be obtained in order for any Club, or group of Clubs, to host a tournament. A Club wishing to host a tournament that will begin at any time between pre-season and December 31, inclusive, must submit its “Tournament Hosting Application” form no later than January 31 of the calendar year in which the tournament is to be hosted. A club wishing to host a tournament that will begin between January 1 and April 15, inclusive, must submit a “Tournament Hosting Application” form to the League no later than the May 31 preceding the tournament date. Each Tournament Hosting Application shall be accompanied by the applicable tournament sanction fee.

(b)For each O.H.F. Branch Tournament (G.T.H.L., O.M.H.A., Alliance Hockey, N.O.H.A.) the applicable tournament sanction fee shall not be less than the amount that is equal to \$10 times the number of Teams that will, as set forth in the Tournament Hosting Application, be participating in the Tournament and an additional \$10 for each Team from outside Canada.

(c)The Tournament sanction fee shall also include a payment to the League of \$20 for donation to the Doctor Pashby Sports Safety Fund. Such amount shall be included with the initial payment accompanying each Tournament Hosting Application.

(d)All Tournaments sanctioned by the League must designate a Discipline Committee, the Chairperson of which shall be approved by the League.

(e)No Tournament sanctioned by the League shall include the involvement or participation of any unrecognized (non-Hockey Canada) hockey organization unless approved by the Board. Non-compliance will automatically terminate the application, the Hockey Canada tournament permit and all rights conferred thereby.

(f)No tournament sanctioned by the League shall offer a cash prize to be paid to a Team or Club or a cash sponsorship donation to be made to a Team or Club based, in either case, on the Team’s results or placing in the tournament. This Rule shall not prohibit gift certificates or merchandise being awarded to a single member of a Team who is selected as the “player of the game” (or equivalent) or the giving of gift certificates or merchandise donated by sponsors for distribution to all players or Team Officials participating in the tournament.

(i) The Tournament Chairperson must send written confirmation of acceptance or non acceptance to the tournament to all applicant teams at least six (6) weeks in advance of the tournament. Failure to comply may result in a fine of up to \$500. If the hosting organization decides to cancel a category for any reason, it must offer a full refund to any team that did not cause the cancellation. Full refunds must also be given to teams which decline to play up a category.

(g)Full schedules must be submitted to the League Referee Coordinator four weeks prior to the start of the tournament. Failure to comply will result in an administrative fee of \$500. No changes will be permitted within one week of the start of the Tournament.

(h) For each international tournament, there shall be a minimum sanction fee of \$100 plus \$50 for each Team from outside of Canada.

(i) For each inter-branch tournament there shall be a minimum sanction fee of \$50 plus a fee of \$10 for each Team from outside the Hosting Branch.

(j) All League Executive Passes must be honoured as a paid admission to all tournaments sanctioned by the League. The penalty for failing to comply with this requirement will be a forfeit of all tournament sanctions for the following season.

(k) All Clubs that have hosted tournaments are required to submit a financial statement of income and disbursements jointly signed by the Tournament Chairperson and President(s) of the Hosting Club(s), to the League within 60 days following the tournament.

(l) Failure to comply with (k) above, shall result in a fine of \$200 and shall also result in the refusal to sanction any further tournaments until the fine has been paid.

(m) During the league schedule, there will be no more than one tournament on any given weekend for a specific age division and category.

(n) Clubs must apply for a specific number of Teams. If the tournament falls short of the specific number of teams requested, the tournament request for the following season may possibly only be approved for the number of Teams that participated the previous season.

(o) Clubs which host tournaments and exceed the number of Teams sanctioned without permission from the Executive Director or, in the absence of the Executive Director, the Executive Committee, will lose their hosting privileges for the following season, without exception. It is recognized that in some cases the number of tournament participation applications exceeds the approved number of Teams and that it is to the Tournament's benefit to consider increasing participation based on the applications. Any approved Tournament can arbitrarily increase the number of approved Team entries by applying the following formula:

(i) For tournaments with 6 to 39 Teams, up to 2 extra Teams.

(ii) For tournaments with 40 to 60 Teams, up to 4 extra Teams.

(iii) For tournaments with 61 to 80 Teams, up to 6 extra Teams.

(iv) For tournaments with 81 to 120 Teams, up to 8 extra Teams.

(v) For tournaments with more than 120 Teams, up to 10 extra Teams.

However, any such an increase must be reported to the League four weeks prior to the commencement of the tournament. Should the Tournament wish to increase by more than the optional limit, then the approval of the Board is required and must be applied for at least eight weeks prior to commencement of the tournament.

(p) No tournament will be allowed to accept applications from Teams of divisions and/or categories other than the tournament divisions/categories approved by the League without permission from the Executive Director or, in the absence of the Executive Director, the Executive Committee.

(q) No Club/association/group may host a tournament division and/or category in which it does not have an identical division/category Team(s) participating in the same season. The Don Mills Flyers Minor Peewee, Mississauga Reps Novice, North York Hockey League Minor Midget & Novice and the Timmy Tyke are all excepted.

(r) Permission to fill a vacancy in any tournament by a lower category Team will be based on that Team's standing at the time the request is made. It is recognized that in some instances tournaments may be in need of a limited number of non-category aligned Teams to "round-out" scheduling for the sake of economy and efficiency. Therefore,

(i) In the case of an "A" Team participating in a "AA" tournament, the "A" Team must be within the top four Teams in the standings in its own category at the time of its application to the tournament. In the case of early bird tournaments, the "A" Team must have been one of the top four teams at the completion of the previous season.

(ii) In the case of an "AA" Team participating in a "AAA" tournament, the "AA" Team must be within the top four Teams in the standings in its own category at the time of its application to the tournament. In the case of early bird tournaments, the "AA" Team must have been one of the top four teams at the completion of the previous season.

(iii) In the case of an "AAA" Team participating in a "AA" tournament, the "AAA" team can only be from the age group immediately below the tournament category within which it is seeking participation.

(s) The host organization(s) may include such non-aligned category Teams in their Tournaments at their own discretion based on the following formula:

(i) For tournaments with 6 to 39 Teams, up to 2 such Teams

(ii) For tournaments with 40 to 60 Teams, up to 3 such Teams

(iii) For tournaments with 61 to 80 Teams, up to 4 such Teams

(iv) For tournaments with 81 to 120 Teams, up to 5 such Teams

(v) For tournaments with more than 120 Teams, a maximum of 8 such Teams.

(t) Tournaments are to be hosted only by and for the benefit of G.T.H.L. Member Clubs or Divisions and not for the benefit of private enterprise or non-related organizations. The Timmy Tyke and Bell Challenge Cup Tournaments are excepted.

(u) Tournament hosting applications will be approved on the basis of longevity of the tournament. If a tournament does not operate in any given year or loses its sanction, it loses its seniority.

(v) No approval will be given to any new hosting Club(s) for a tournament which will compete/conflict with The Paul Coffey, Don Mills Flyers, NYHL novice & minor midget, or the Bell Challenge Cup Tournaments during the Christmas break, unless any of the tournaments mentioned above have reached capacity or do not operate in a particular year.

(w) No Team or Player may compete in more than three tournament games in one day.

(x) The Executive Director, or in the absence of the Executive Director, the Executive Committee will convey to each pertinent member Club within seven calendar days a written decision as to its tournament application.

ARTICLE 18 – HOUSE LEAGUE AND SELECT OPERATING GUIDELINES

a) All Toronto based member Clubs of the NYHL and their teams must comply with these "Guidelines".

b) Vaughan (CVHA) falls outside some of these parameters due to a negotiated pact between the GTHL, NYHL, and CVHA. The full NYHL membership agreed to abide by the terms of this pact.

18.1 House League Guidelines. The purpose of this Article is to establish operating guidelines for House League Organizations in order to ensure the integrity and success of their house league and house league select programs. These guidelines are intended to provide general principles that House League Organizations should apply in a manner appropriate to their community, size and the best interests of their members. By complying with these guidelines, House League Organizations can ensure that their house league programs and house league select programs are legitimate and meet the required standards of their governing bodies. Nothing in this Article shall be construed as preventing a House League Organization, with respect to either its house league or house league select programs, or an affiliated division, operating a tournament or house league select league, from imposing stricter standards than as set out in this Article.

18.2 Compliance with House League Guidelines. No House League Organization, nor house league select program, may operate under any guideline less strict than as set out in this Article unless it has obtained the prior written approval of the League.

18.3 Definitions for House League Guidelines. Hockey Canada defines a “House League” as “a community oriented minor hockey program structured to provide development and competition at the recreational level”. For the purposes of this Article, “House League Organization” means an organization that operates a House League as defined by Hockey Canada. For the purposes of this Article, a “House League Select Program” is a program where in order to be eligible to play select hockey a player must be registered with a recognized (sanctioned) House League Organization and accordingly be an active participant in a recognized (sanctioned) schedule of House League games. For the purposes of this Article, a “Minor Development Program” is a program that is not a House League Select Program and is not competitive (i.e. AAA, AA, A, B, C, D etc.). The guidelines in this Article fit these definitions and recognize both the community-oriented and recreational nature of House League programs and House League Select Programs. These guidelines also reflect the distinction made by the League between House League Select Programs and competitive programs.

18.4 Philosophy Related to House League Select Programs. The House League Select Program is a hockey program that is based in the House League and should be an extension of that program. Players and their families that choose to participate in a House League Select Program do so because it reflects the attitudes and community affiliation of the House League to which they belong and in which they participate. Therefore, the focus of a House League Select Program should not be to emulate higher levels of competitive hockey (A and above), but to offer the values of House League programs to a group of House League players participating in an advanced program.

18.5 Registration of House League Players. House Leagues must submit a standard player’s registration form as issued by the League for all their players. All coaches, managers and trainers of all House League and House League Select Program teams affiliated with the League must be carded on the House League registration forms and be registered with the League Office prior to the

commencement of the regular House League season. Additional players may be registered up to January 15 in any Season.

18.6 Penalty for Failure to Register and Pay Insurance. House Leagues who have not submitted registration forms and insurance premiums for players and Team Officials prior to commencement of regular House League season games may forfeit their membership in the League and shall be assessed a fine of \$100 for late payment.

18.7 Operating Guidelines for House Leagues.

(a)Residency. A House League is a community-oriented program and therefore the residency of its membership should reflect the geographic area surrounding its home arena or organizational base.

(b)Solicitation. A House League may solicit new registrants by way of general advertising. While players registered with other House League Organizations in the previous season are not prohibited from choosing to move to a different House League Organization for the next season, such players should not be specifically and individually solicited by a House League Organization or any of its officials or representatives, including select coaches, officials or representatives.

(c)Acceptance of Players. All applicants should be accepted to play in a House League, subject to any significant physical limitation and ice availability.

(d)Player Registration. All players must be registered on a recognized House League Registration Certificate. A player may play in one House League and may sign only one House League Registration Certificate in a Season (subject to release provisions).

(e)Team Membership. House League players should play on the same team all Season, subject to transfers within the House League Organization for team balancing purposes which should be completed by a date set by each individual House League Organization. This date should be as early as possible and in any event no later than January 1.

(f)Team/Division Organization. House League divisions should be organized based upon the age of the players. It is recognized that some large House League Organizations (i.e. Mississauga Hockey League) group players of various divisions into separate subdivisions based upon skill levels. This format is acceptable provided it complies with these guidelines.

(g)Ice Time. All players should receive equitable ice time during games.

(h)Skill Development. Younger players should be offered the Hockey Canada Initiation Program or other skill development program.

(i)Number of Teams. A House League division or a subdivision/tier must consist of a minimum of three teams, whose players may be of more than one birth year.

(j)Team Sweaters. House League teams should each have their own distinctive numbered sweaters, and these should be distinct from the House League Organization's select team sweaters.

(k)Game Schedule. The posted schedule should consist of a minimum of 16 regular season games plus playoffs. All teams should play at least once each week, if ice availability permits. If there is a bye team, it should not go more than one week without a game.

(l)Playoffs. All teams should qualify for playoffs in order to reflect a House League's spirit of inclusiveness and equal play.

(m)Officials. All games should be refereed by a minimum of two HCOP-certified officials.

(n)Game Sheets. All games should be properly recorded on legitimate game sheets that are retained by the House League Organization's convenor for each division or subdivision.

(o)Membership Fees. There should be a fixed fee for House League membership that is separate and apart from any fee related to participation in the House League Select Program.

18.8 Operating Guidelines for House League Select Programs.

(a)Intent of House League Select Hockey. Teams participating in House League Select Programs, while considered more competitive than House League teams, are an extension of the House League and are intended to reflect the same spirit of community-oriented recreational hockey. Therefore, they should seek to be inclusive and provide as much opportunity as possible for House League players to participate.

(b)**House League Membership.** All House League select players must be registered and active participants in a legitimate House League that is sanctioned by the League. The prime and important considerations are that:

(i)Each player in a House League Select Program is playing on a legitimate House League team whose membership is substantially different from the membership of the House League select team.

(ii)Each player in a House League Select Program is playing in a bona fide and posted schedule of a minimum of 16 regular season House League games, plus playoffs, that are separate and distinct from the House League Select Program games, practices and skill sessions.

(c)**Tryouts.** All House League players should be invited to try out for their own House League Select Program. A player MUST be registered in the House League before participating in any of the tryouts for that House League Organization's House League Select Program. In accordance with Articles 7 & 18.7-b), a House League Select Program and its coaches, officials and representatives should not solicit players who were registered with another House League Organization in the previous Season, whether or not such players also played in a House League Select Program. A House League Select Program shall not conduct tryouts, nor finalize team selection before September 1. Failure to comply with any of these provisions will nullify the eligibility of the offending team to participate in any aspect of a House League Select Program.

(d)**Number and Membership of Select Teams.** The ideal norm is viewed as one select team coming out a single age House League division of at least four House League teams. In these circumstances, the select players would constitute approximately 25% (less if more than four Teams) of the total number of House League players in the House League division. While this is regarded as the ideal norm, it is recognized that access to participation in the House League Select Program should not be unduly restricted in situations where a House League Organization has a lesser number of House League players in certain birth years. Further, it is recognized that there are situations where it may be appropriate for a second select team to be formed out of the same birth year. In

order to accommodate these situations, the following variations from the ideal norm will be acceptable provided that the House League program and the House League Select Program are fully in compliance with both the letter and spirit of these guidelines:

(i) In accordance with Rule 16.7(i), the minimum number of House League teams in a House League is three. In this situation, one select team is permitted to be formed from House League players in that division and the select players may not constitute more than 40% of the total number of House League players in the three team House League division.

(ii) In a situation where there are four House League teams in a combined-age division, there may be a maximum of two select teams from that division, usually with one select team being for the older age group and the other select team being for the younger age group.

(iii) In circumstances involving a House League division of four or more House League teams, the select players in the House League may not constitute more than 50% of the total number of House League players in the House League division.

(e) **Size of Teams.** Select teams must carry a minimum of 13 players (including goalies) and should try to carry as full a roster as possible (consistent with the number and skill level of applicants) in order to reflect the inclusive nature of House League Select Programs.

(f) **Ice Time.** All players should receive equitable ice time during games.

(g) **Attendance at House League Games.** A House League Select Program player is expected to attend all House League games unless for reasons of illness or injury. A House League Select Program player should miss no more than three regular season House League games because of attendance at tournaments and should not miss any House League playoff games because of tournaments. A House League Select Program player who attends less than two-thirds of his or her House League games will be considered ineligible for further participation in the House League Select Program. House League Organizations may apply to the Board of the applicable Affiliated Division that is operating the House League Select Program's league for relief from this provision due to illness or injury of the player.

18.9 Affiliation. Applications by a House League Organization for affiliation with the League must be submitted by September 1. Each application must be accompanied by the applicable affiliation fee and insurance premium as outlined in the application form.

18.10 Volunteers. All affiliated House Leagues must register all other associated volunteers on special forms provided by the League.
