2015: An amazing and successful season for South Volleyball!!

Varsity **24-10-1**
JV **24-5-1**
9 –A Team **22-1-1**
9 –B Team **15-1**

85-17-3

105 matches, 85 wins, 17 losses, 3 ties (.810)

Not many programs in the city or state had as much success as our four teams did this season. Everything ends here tonight as we celebrate the growth and experiences gained. Yesterday's service project was a great way to remind the girls that when we play for South we represent something larger than ourselves. It's a reminder that this is a community's team, not a pay to play team. We believe that we are directly connected to a community and that within our community we'll all need to be positive contributing members of society, and to look out for our fellow man or a friend in need. The lessons learned from a challenging season with long hard practices and individual training, helps strengthen the body and mind in order to learn what it's capable of achieving, especially when making a sacrifice for something bigger than any one person.

I am nature's greatest miracle. I am not on this earth by chance. I am here for a purpose and that purpose is to grow into a mountain, not to shrink to a grain of sand. Henceforth will I apply my efforts to become the highest mountain of all and I will strain my potential until it cries for mercy.
-Og Mandino
