

19 March Skills Session Format and Time Change

Colorado All State Boys team | News | by Otis McGregor

We are just a few days away from the March camp, this Sunday. The camp will be on top of the parking garage at the UCCS campus in Colorado Springs.

The camp will begin at 1PM and last until 4PM. Please be ready to go, boots on and taped at 1PM.

After the warm up is complete, we will begin a skills evaluation session. The purpose of the skills session is to determine everyone's level of play.

The skills we will evaluate are: Catch and Pass; carry ball into contact; and tackle. As reminder, there is no contact at these camps.
