

Quarter Auction Questions FAQ

How does the Quarter Auction work?

You purchase a ticket for \$15 to come to our event or a table of 8 for \$80.

You bring or purchase quarters to bid on items.

You are issued a cup with a number and your number is put on a lottery ball.

When an item of interest is up you must put a quarter in your cup. If your lotto number is drawn and you have a quarter in your cup, you win the prize, and we take all quarters from each contestant.

When & Where is the event held?

Saturday December 10, 2016, 7:00 pm

Lovejoy HS cafeteria

2350 Estates Parkway

Lucas, TX 75002

What can I win?

We have numerous dinners, gift packages, and items from over 150 businesses that you can win for a quarter!

Can I help donate items?

Different level items are donated for this event. First we ask that each wrestler donate a gift certificate. They have all been assigned a **Luxury Gift Item** for this event. These items come from large corporate stores like Macy's and Walmart. Very rarely will these businesses donate gift cards so we ask that the kids bring a \$10-\$20 gift card from one of these stores. They serve as great advertisement when selling tickets to these events. We will need all items/cards *turned in by Tuesday November 29th* at the very latest.

We also have solicited numerous local **Small Businesses Gifts** to donate dinners, haircuts, nails, massages, barbeques, TV's, electronics, gift baskets, and much more!

We are also asking that you look at your associations with people in the community and see if you have ties with anyone who can provide Memorabilia, concert tickets, sporting event tickets, vacation packages, and any other **Large Gift Items** that would add to the event.

What does my child have to do?

They must bring Luxury Gift Item, and one baked desert to the Auction. They must also sell a minimum of three tickets if not more. Please invite all friends, family, and co-workers to this event. Tickets are \$15.

Do I need to bring anything to the event?

Bring as many quarters as you like to bid on the items. Or you can buy quarters at the event.

If I need to make a check to buy tickets, who do I make it out to?

Takedown Club, Lovejoy HS.
