ARTICLE X EMPLOYER PAYMENTS INTO TRUST FUNDS

- 81.** Each Individual Employer signatory to, or otherwise bound by, this Agreement shall pay the sums per hour into the Trust Funds for each hour's work assigned by the Employer to employees upon work covered by this Agreement in accordance with the schedules as set forth in **Sections 69-72**, and as updated as of each July 1, or as otherwise may be agreed upon between the Union and the Associations, and set forth in the wage and fringes schedules attached hereto as **Appendix B**.
- Neither any Employer Association nor any Individual Employer shall be liable for the payments due from any other Individual Employer under this **Article X**.
- 82.** The Funds named in **Article VII** shall be administered in accordance with the applicable Trust Agreements and/or other documents adopted by and between the parties hereto and/or the UA creating said Funds (hereinafter "Trust Funds" which shall include any other form of business organization such as a non-profit corporation). The Individual Employers agree to be bound by all of the terms and conditions of said Trust Agreements and any amendment or amendments thereto that have been or may hereafter be adopted by the parties thereto.
- 83.** Each Individual Employer shall file a monthly report with each Fund on the form established by the Fund and such report shall be filed monthly regardless of whether the Individual Employer has employed any employees covered by the report. Each such report shall be signed by the owner, a partner, or an executive officer of the Individual Employer, as the case may be. If an Employer fails to sign a monthly transmittal or other form or has a practice of not signing such forms or crosses out any portion of the

Trust Fund approved transmittal report, that Employer remains bound by each of the applicable Trust Agreements, as provided herein, as well as the statements on and obligations imposed by the form furnished by the Trust Fund Office. Thus, failure to sign the form or use of a separate form for reporting purposes or crossing out any particular language on the Trust Fund Office designated form does not eliminate the Employer's obligations and responsibilities.

- 84.** Payments to the Funds shall be made at the place designated from time to time by the Funds in accordance with and in the manner provided for by the applicable Trust Agreements, or by the UA Local 342 Joint Labor-Management Cooperation Committee, Inc. ("JLM") in the event that the fund or entity is signatory to the Joint Services Agreement (JSA) with the JLM. Absent contrary procedures in the JSA, such payments shall be due and payable monthly on or before the fifteenth (15th) day of each calendar month, and will be deemed delinquent if payment is not received on or before the twenty-second (22nd) day of each calendar month for all work performed in the preceding month. It is recognized that time is of the essence and the items outlined in this Article X shall be applicable to delinquent payments.
- 85.** It is agreed that insofar as payments by the Individual Employer are concerned, the parties recognize and acknowledge that the regular and prompt payment of amounts due each Fund by Individual Employers is essential and, based upon prior experience of the parties hereto and in light of the substantial but varied expense incurred in the administration of said Funds and the Plan or entity due to delinquencies, the parties agree that it is extremely difficult, if not impracticable to fix the actual expense and damage to each Fund and the Plan or Program which results from the failure of an Individual Employer to make the payments in full within the time provided (i.e. lost investment income and/or excess time incurred because of Participant concerns regarding potential or real loss of benefits). Therefore, it is agreed that the amount of damage resulting from any such failure shall be by way of liquidated damages at 20% and shall bear interest at the rate of twelve percent (12%) per annum until paid, and not as a penalty to each such Fund, Plan or Program and that the amount of the liquidated damages be as provided in the appropriate Trust Agreement or duly adopted document, such as the JSA.
- 86.** If any Individual Employer defaults in the making of such payments and if either the Union or the Funds consults or causes to be consulted legal counsel with respect thereto, or files or causes to be filed any suit or claim with respect thereto, there shall be added to the obligation of the Individual Employer who is in default all reasonable expenses incurred by the Union, the Funds, and/or other entity, in the collection of same, including but not limited to, reasonable attorneys' fees, auditors' and accountants' fees, extra administrative expenses, court costs and all other reasonable expenses incurred in connection with such suit or claim including any appellate proceedings therein.
- 87.** The parties recognize and agree **(a)** that the references to wages and fringe benefits in Sections 7071.5 through 7071.11 of the California Business and Professions Code include payments for fringe benefits and Dues Check-off as described in this Agreement and Trust Agreements creating each Fund; **(b)** that said payments are for the benefit of the employees of each Individual Employer covered by this Agreement, and that the failure of an Individual Employer to make said payments, in the manner and at the time prescribed, causes damage to all employees, including the employees of the Individual Employer in default, in the amount of the unpaid fringe benefits and dues as well as the liquidated damages established herein, interest, and any attorneys' and accountants' fees which the Union, the Funds, or Plan, or any of them, may incur with respect to said default; **(c)** that the Union, the Funds, or Plan, or any of them, may bring a claim or legal action against the Individual Employer's license bond on behalf of an employee or employees covered by this Agreement.

88. Whenever the Union, in its judgment, deems it necessary to protect payments to the Funds or the Plan or to protect the payment of wages to employees working under this Agreement, it may require any Individual Employer to supply the Union, not less often than weekly, with a written record of the names of all employees and their hours (specifying straight time and overtime) worked upon all or any particular job or jobs. The Union shall have the right to withdraw and withhold the employees of any Individual Employer who fails to furnish such information promptly.

89. BONDING — The following Employers, as described in **Sections 89-A** and **89-B**, shall be required to post a bond or cash as provided for herein, in addition to any bond required by applicable law based on the number of employees for whom contributions are required to be made effective January 1, 2013. The required bond amount as determined below in Sections A-J shall be determined using the transmittals showing contributions for hours worked in September, October and November 2012 (using an average of those months to determine the amount owed). After that, the bonding requirement will be reviewed annually (beginning in January 2014) based on the average of the number of employees for which an employer contribution was required to be made in September, October and November 2013, and then the same months for each succeeding year. If an employer is unable to obtain a bond or post cash, and is delinquent at least two months, joint checks will be required. Otherwise, the Union is authorized to pull the workers.

A. ALL EMPLOYERS – Any Employer who is not either “New” or “Delinquent” as defined below who has over 30 employees dispatched by UA Local 342, shall provide the Trust with a \$100,000 Fringe Benefit Bond or irrevocable Letter of Credit or cash.

In addition, any employer for whom the Chair and Co-Chair of the UA Local 342 Joint Labor-Management Cooperation Committee, Inc. shall provide bonding shall be required to post a bond consistent with section 89-F of this Section 89. Any such determination is at the discretion of the Chair and Co-Chair of such Committee.

B. NEW EMPLOYER — The term "New Employer" for purposes of this **Section 89** shall mean an Individual Employer who has not performed work covered by this Agreement, within a period of twelve months preceding the job the Employer is about to perform.

C. DELINQUENT EMPLOYER — The term "Delinquent Employer" for purposes of this **Section 89** shall mean an Individual Employer who, at any time during the term of this Agreement or within the eighteen months preceding the term of this Agreement has failed to pay employees or Trust Funds promptly for more than one month and in accordance with this Agreement and applicable Trust or other established document. The term "Delinquent Employer" shall also include any Individual Employer who at any time in the past has been cleared of any indebtedness to employees or the Trust Funds through adjudication in bankruptcy.

D. For purposes of this **Section 89**, the term "Individual Employer" shall include any former sole proprietor Individual Employer, a member of a partnership or associate Individual Employer, or an officer, director, or stockholder of a corporate Individual Employer who or which has been delinquent as defined herein, or a superintendent, responsible managing officer or employee or other authorized representative of a former such Individual Employer who hereafter entered into any phase of the contracting business covered by this Agreement, either as a sole proprietor, partner, or owner of an interest in a contracting firm or corporation.

E. An Individual Employer required to post a bond under this **Section 89** shall maintain the bond in effect for the period covered by this Agreement.

F. The amount of the bond shall be based on the maximum number of employees employed by the Individual Employer on work within the territory covered by this Agreement based on the number of covered employees for whom you were required

to make contributions as outlined in this Section 89 as follows:

1 to 5 employees	\$ 17,000
6 to 10 employees	\$ 35,000
11 to 20 employees	\$ 60,000
21 to 30 employees	\$ 80,000
31 to 40 employees	\$100,000
41 to 50 employees	\$125,000
51 to 60 employees	\$150,000
61 to 70 employees	\$175,000
71 to 80 employees	\$200,000
Over 80 employees	\$250,000

- G.** Said bond shall be posted with the Union and/or Trust Funds, and the bond shall guarantee prompt payment of all wages and other payments to employees as provided for in this Agreement and the prompt payment of all fringe benefits, liquidated damages, interest and attorneys' fees and costs as provided for in this Agreement and in applicable Trust documents.
- H.** If the bond is a surety bond, the bonding company and the form of the bond shall be subject to approval by the Union and the Directors of the Joint Labor Management Fund. There is nothing to preclude the bargaining parties from entering into an agreement with an insurance company or other entity to provide bonding for some or all Employers.
- I.** In lieu of a surety bond, the Individual Employer shall provide a cash bond in the appropriate amount and in a form acceptable to the Union and the Directors of the Joint Labor Management Fund. The cash bond shall be held in escrow by the Trust Fund Office of the Northern California Pipe Trades Trust Funds and shall accrue interest. If the Employer cannot post the full amount of the cash bond in one lump sum, the Employer may post ten percent (10%) of the required amount of the cash bond as a down payment and pay the balance with its monthly reports at the rate of fifty cents (\$0.50) per hour for every hour worked by its covered employees until the full amount of the cash bond is reached. No interest shall be posted to the Employer's cash bond account until the full amount of the cash bond is paid. In the event the Employer disputes a claim made against the cash bond, the claim will be paid upon decision of the Joint Conference Board, in the case of money due employees, or upon the decision of the Trustees of the appropriate Trust Fund or Funds or their agent in the event of a claimed Trust Fund delinquency. The Employer shall be entitled to a refund of any amount remaining in its cash bond account upon a determination that it has legally terminated its Collective Bargaining Agreement with the Union or actually ceased doing business in Northern California, after any obligations due and owing the employees, Union or the Trust Funds have been deducted from the Employer's cash bond account.
- J.** If any Employer who is required to post a bond under this **Section 89** fails to do so prior to the commencement of work (in the case of a "New Employer") or within five (5) days of written demand by the Union (in case of a "Delinquent Employer"), it shall not be a violation of this Agreement for the Union to withdraw and withhold employees of that Individual Employer until the bond is posted and the Individual Employer shall be liable to any employees withdrawn for that reason for the wages and fringe benefits lost, up to a maximum of sixteen (16) working hours.
