

Northwood Cross Country 2013

Gear Order and Team Contribution

This sheet is for athletes who wish to order team gear and/or make a contribution to the program. Please note that there is **no obligation** to purchase any gear or donate any money to the program. While the school and district help provide a plethora of essential items to support cross country, there are many others that we need to raise money to provide, including extra uniforms, team meals(including secret sisters), coaching stipends for extra coaches, year-end awards, CIF expenses, Gatorade after workouts, weekly athlete of the week awards, buses for meets on weekends etc. Indeed, we spent several thousand dollars on these important items last year, and *every athlete* in the program benefitted from our team efforts.

If you wish to purchase any of the following, please indicate the item, size, and cost. Please note there are **NO refunds** on the custom-made items and qualities will be limited. Try to submit this sheet as soon as possible if you plan to order gear. All orders are **DUE by WEDNESDAY, AUGUST 7th**, as it takes several weeks to receive the gear, and our goal is have the gear ready to pass out by Sept 14th, in time for our first meet on Sept 3rd. Also, *please* consider joining the NHS Booster Club (form attached, separate check required) and be sure to visit our excellent website www.nhscrosscountry.org **All important information, documents, etc. is posted to the website, including all meet and practice information. Thank you very much for your continued support! See you at the meets.**
