Cobras Club Volleyball is an organization committed to serving the community and youth of the greater San Antonio & Central Texas areas. As an organization, we rely heavily on the generosity of our members and the community, in order for our organization to be successful. With the support of people and businesses like you, we will be able to continue to train and foster young female athletes in preparation for participation in national amateur volleyball competitions and to help them gain exposure to scouts and coaches in hopes of obtaining a collegiate scholarship. From December through May, we have local youth practicing and playing the sport they love. As an organization, we strive to teach not only the fundamentals of competitive volleyball, but also the fundamentals of life. It is our belief that our youth must possess positive attitudes, a sense of responsibility, and discipline in order to become successful members of society. In order for our organization to provide youth with an outlet to display their talents, learn, develop lasting relationships, and become valuable assets to society, we need your help! The cost of tournaments, uniforms, coaches' salaries and gym rentals are constantly rising. We pride ourselves in keeping club fee's affordable, to give as many players as possible the opportunity to participate as members of our organization. The only way we can afford to offer affordable registration is to offset our expenses with contributions and donations. Finally, as you are aware fundraising is a tedious and time-consuming process, and has become increasingly difficult in these tough economic times. Every dollar donated makes a difference. Interested in playing a larger role? Please take the next step and become a vital contributor of the Cobras Club Volleyball organization. We have three different levels of sponsorship; please choose the level that suits you;

We will have three levels of sponsorships this season

Black level - award of \$501 to full amount

Red level - award of \$251 to \$500

Gold level - award of \$1 to \$250

We look forward to your support to ensure we can continue provide an excellent program for our participants. You may send donations to the address above or contact us at [sacobras@yahoo.com](mailto:sacobras@yahoo.com).

Respectfully,

Cobras Volleyball Players & Staff
