Cobras Volleyball **Commitments of a Junior Program Player**

You have been selected to play on one of Cobras Volleyball Club teams. We want to make you aware of the responsibilities that come with this honor and also to let you know what Cobras Volleyball Club will provide in return. We know that your commitment to Cobras junior team will expose you to high quality volleyball, provide you with a valuable educational experience, and allow you to develop lifelong friendships.

Cobras Volleyball ***“Success Begins with a Positive Attitude”***

Cobras Volleyball has established commitment from coaches, players, and parents is required. Our coaching staff must be committed to have up to date knowledge to teach the fundamentals of the game and the ability to motivate our players to their maximum level of performance. They must have patience and, above all, the ability to communicate with positive reinforcement and to assist each player in any way possible to achieve the goals established by that player.

Our players must be committed to the program as established by the coaching staff, to practice and play with competitive attitudes, and to maintain good sportsmanship at all times. Finally, our parents must be committed to the program as established by the coaching staff and should maintain a positive attitude toward the program at all times. Parents must eliminate their own ego from the process and see the game without parental eyes. Parents should be come knowledgeable of the game to understand how it is played and appreciate the efforts of ALL the players. It is extremely important to the maintenance of our program and to the accomplishment of our goals that coaches, players, and parents maintain a positive attitude. So much can be accomplished if we believe in and are committed to the same system.

GRIEVANCE POLICY & PROCEDURES

Knowing when to communicate and how to communicate with your athlete's coach is a concern for almost every parent at some time during the season. Most often, the concern is how to inquire about issues surrounding playing time. Cobras VB Club has always tried to encourage the athlete to talk to the coach when she has a problem with her playing time. If the athlete is unsure or unclear about what the coach expects from her, either in practice or in competition, the appropriate action is for the athlete to communicate with the coach as to what she needs to do to get more opportunities to play in matches or at another position.

When parents have a problem that is specific to their own athlete, we also encourage them to speak first to the coach. Coaches WILL NOT discuss "coaching decisions." Coaching decisions include, among other things, specific match decisions (who played when, who was subbed in/out and when, etc.). Playtime is a very complex determination. It includes the coach's opinion, the athlete's ability, the athlete's potential, the team's needs at the moment, the momentum of the game, and the team's needs for the future. The coach will not be required to defend his/her thought process or conclusions in these determinations, and it is improper for a parent to make such a request. In addition, Cobras VB Club instructs coaches not to discuss any athlete other than the parent's own or the actions of any other Cobras coach. If you, as a parent, have legitimate concerns about a coach other than your athlete's coach, or with an athlete other than your own, you must address the directors.

In the past, three negative complaints have been heard from parents, which served only to limit the overall success of the team and the club. They are as follows: My daughter is on the wrong team – This generally means that the player is not on what is considered to be "the number one team". (Very rarely does anyone ask to move down). Methods used to assign players to teams are based on an evaluation conducted in a professional manner based upon the consensus of three to six eminently qualified individuals. Time has shown that team assignments are made fairly with few mistakes. Players have been and will continue to be moved if the qualified individuals feel that it is in the player's best interest to do so. If you think that a mistake

has been made, please a volleyball program in which everyone can be proud to be a part. We consider ourselves elite. To continue this tradition, a positive discuss it first with your coach or our Parent Coordinator in private, before involving the player. My daughter is not playing the right position – Often times a player is the shining star on a high school or middle school team at a particular position and is not allowed playing time at that position in Cobras.

There are several reasons for this. First, we all have to remember that the competition within club volleyball is a lot stronger than on school teams, therefore, the competition for each position is more intense than in a school environment where the number of skilled players is limited. Second, the coach may have a particular need at a certain position and the player is the only one with the requisite skills to fill that need. In any event, talk to the coach first about any concern you may have and then support the coach's decision. One further note: Do not, under any circumstance, corner the coach at a tournament. A meeting time should be scheduled to discuss such a matter. Cobras VB Club requires a "24-hour rule" for parents to talk to coaches about issues with his/her daughter's playing time, team, etc. My daughter is not playing enough – This can be a common question or complaint. When playing for Cobras VB Club at this elite level, players will not always play the same amount of time. We cannot provide a guarantee of playing time.

WE DO NOT provide a guarantee of the right to practice with players of equal or better ability and, through hard work, to improve skill levels and to compete for the opportunity to play.

Playing time is earned, not awarded. Negative comments directed to other parents, coaches and players concerning offensive schemes, defensive schemes, players' positions, who is playing, etc. or providing excuses to players for poor performances have no place in our program. Help maintain an excellent program by supporting coaches and players with a positive attitude. **Repetitive complaining to the athlete(s) or to a third party that interferes with the club's efforts to pursue its' stated mission and purpose may be a cause, in the sole determination of the club, to ask the member to resign.**

POLICY ORDER:

1. The athlete should first speak to the coach about the matter. If the matter remains unresolved, or the athlete has a reasonable concern that speaking to the coach will not resolve the matter, then move on to step 2.

2. The parents should speak or meet with the coach. Parents and/or athlete should contact the coach via the telephone to set up a meeting time (not during a tournament).
 - A parent should never approach a coach at a tournament. We have instructed the coaches to follow the “24 hour rule”, to refuse to discuss any controversial matter, and to refer the parent to the Parent Coordinator or Director. The coach will then walk away.
 - The recommended time for a parent to schedule a meeting is usually before or immediately following a scheduled practice. If the matter remains unresolved or if the parent has a reasonable concern that speaking with the coach will not resolve the matter, then go to step 3.

3. The parent may speak to the Director and request a meeting with the coach and Director together.
 - In certain situations, Cobras may request the athlete to also attend.
 - Meetings should be previously arranged. This will not take place at a tournament site.
 - The Director will not engage in discussions about coaching decisions.

4. Refunds and Deposits: Upon making any Cobras team, at a regular or supplemental tryout, there ALL FEE'S ARE NON REFUNDABLE. Regardless of any circumstance

5. Any dispute with the club must be submitted to the Club Director in writing, including the date of incident or injury, Dr.notes including type and length of disability, and the duration of club participation. All disputes which include complete documentation as previously stated will be considered.
6. All issues or disputes, regardless of the nature or source, must follow the previously detailed club “Policy Order” as stated in numerals 1-4 above.

OTHER POLICIES REGARDING GRIEVANCES WITH COBRAS VOLLEYBALL CLUB:

1. COBRAS VB CLUB will not tolerate hostile, aggressive confrontations between a parent and any official, coach, athlete, or another parent, whether the confrontation is within the club or not. Violation of this policy may result in the athlete(s) being dismissed from COBRAS Volleyball Club.
2. It is inappropriate for an athlete or parent to approach other COBRAS Volleyball Club members about a problem the athlete or parent is having with an COBRAS Volleyball Club coach. Asking uninvolved persons to take sides in an issue is unfair to the third party and to the club. For the psychological health of the teams and the club as a whole, grievances need to be handled between the parties involved and the decision makers in the situation Remember...Competitive team athletics, by nature alone, create situations where everyone may not be happy all of the time.
3. Any member who is approached and asked to listen to or to express an opinion about matters between two other parties in the club is strongly encouraged to refer the complaining party to take the matter up with either the coach or the directors.
4. Any member who, as a third party, hears remarks or stories about COBRAS Volleyball Club, its' employees or its' policies, that cause the member to be concerned, is encouraged to call the Director immediately to determine the facts, or to alert the club administration to a situation of which it may be unaware. By the time the story gets to a third or fourth party, it frequently bears little resemblance to the truth or to the facts of the situation. It is also detrimental to the athlete and disruptive to the team to complain to the athlete about the coach, the coach's style, or the COBRAS Volleyball Club policies. If you, as a parent, are unhappy or concerned about any matter, address the party in control. If the athlete is unhappy, she needs to address the appropriate party.

1. Players are required to attend all practices and tournaments. You must notify your coach at least 24 hours in advance of an absence. In the event of an emergency, notify your coach as soon as possible. This rule is intended to discourage players from being late to or missing practices. All players should be on the court and ready to practice on time.

2. No player may leave a tournament without permission from the coach. It is customary to have a refereeing assignment when eliminated from tournament play. All players are expected to be present during their teams' last officiating assignment at court site. (Nobody leaves before team refereeing, please be wear of penalty)

PARENT VOLUNTEERS

In an effort to maintain order Each team needs a parent volunteer/team mom. This is an invaluable service to your daughter's team. FUNDRAISING

Every Cobras Volleyball player will be required to participate in ONE mandatory club fundraiser. This fundraiser will offset unexpected costs that may arise during the season.

There are various options for making money to offset some of the annual club dues. We have several fundraising possibilities in store for the 2013-2014 season. However, Cobras Volleyball fundraising is a “team” effort. Everyone who participates and works for the money will benefit from the funds raised. Whether your fee’s are paid in full or not. You will be assisting a fellow teammate. Each team Parent Volunteer can discuss fundraising ideas and manage their fundraiser individually. ALL fundraising ideas for will first go thru the Parent Volunteers then, the Fundraising Coordinator and finally the Director for approval. If you have any questions on fundraising or have ideas on fundraising opportunities, please contact Coach Shay or our Fundraiser Coordinator via e-mail, sacobras@yahoo.com.

Problems/Complaints

If a parent has a complaint, there is a **24-hour** grace period before that parent(s) may speak with the coach or club coordinator / director. After the 24-hour grace period, the parent(s) may schedule a meeting with the coach and club coordinator. If you feel you must discuss your child's playing time with a coach, please refrain from doing so during tournament play. If you would like to talk to the coach regarding playing time or any other subjects, please set up a meeting to discuss your concerns after the 24-hour grace period. Please remember that the coaches need to be just as focused during tournaments as the players. Problems should be addressed to your team coach first. The club coordinator will be available for those problems needing additional attention. Please follow the proper chain of command. We will have a Player/ Parent Liaison in which you can discuss any concerns you may not feel comfortable talking with the coach about. The Director will be contacted once all other resources have been exhausted. The 24hr grace period is strictly enforced for all teams.

As a premiere volleyball club in the Lone Star Region wants to give everyone equal opportunity to play. A program of this magnitude and quality is expensive, in terms of commitment, time, and money. Payments by can be given to the **Club Director**. **Coaches will not accept payments.** Payments can also be made online through PayPal using our email address at sacobras@yahoo.com . COBRAS VOLLEYBALL CLUB RULES OF CONDUCT FOR TOURNAMENTS

All players must adhere to the following rules in order to receive playing time. Consequences will be assigned by the players coach for neglect of the following rules:

1. Players and parents should always show respect for opposing players and officials working a match. The coach and designated floor captain are the only ones allowed to respectfully question or discuss the decisions made by a referee with the referee.
2. Every player is responsible for knowing how to keep score, and be a line judge. Working assignments will be on fair rotation determined by the coach or players.
3. All players should offer encouragement and show support for their teammates, whether they are on the bench or on the court. All players should be mentally and physically prepared to enter the game at any time.
4. Players and parents should always show respect for decisions made by the coaches during the tournament. If players or parents strongly disagree with a decision made by the coaches, the players or parents should wait to discuss the issue in a calm, constructive, and respectable manner after the match is completed. There are some instances when the discussion is not possible until after the tournament. It is up to the coach whether or not to address the issue immediately or at a later date.
