  - The team will be operating under 501c3 tax exemption managed by our the team's CEO and a certified accountant.
  - Individuals, friends, or family that wish to donate on behalf of a specific player, or the the team, may do so to Coach Patrick Rock or the club president.
  - When the 501c3 is setup then it will be under the club name.
  - Players are encouraged to raise the \$200 dollars by January to save parent's cost. The coaches have a list of fundraisers.
- **Practices**
  - The club will practice four times a week, Monday, Tuesday, Wednesday, and Saturday. During the months of January, February, and March, practices will be held indoors, location TBD (due to availability, practice locations subject to change).
  - Starting April, practices will occur outdoors.
  - Practice times to be determined and announced but from past experience we alternated practice from 3:00-5:00 PM and 6:00-8:00 PM.
  - Fall season commences Monday September 17, 2012 until concludes Friday November 30, 2012.
  - Beginning Monday January 9, 2013, we resume training, weather permitting we may host practice outdoors.
  - Periodically the team will have meetings, primarily to review video, classroom instruction, strategy briefings, general meetings, and drills.
  - Prospective players are strongly encouraged to attend one training season, either September to November, or January to March, or both if possible
  - The best physically preparation a player can do is use a Crossfit facility a full month before first match.
  - Attendance to practice is mandatory. Absences must be vocalized 24 hours in advance thru the team managers. A reason must be provided.
  - For game consideration and eligibility (to play on the team), prior to a players first match, the player must complete tackle orientation, and pass player qualification.
  - We will field the best-qualified players to ensure player safety, match competition, and team success.
  - Any young man may join and train with the team, with no intention of competing as long as the player provides \$55 USA Rugby CIPP Catastrophic Accident and Liability insurance and the appropriate forms have been paid and signed. There also is a \$10 due.
