

Eastview High School Boys Lacrosse Booster Club "Player" Ad Form

Dear Family and Friends of EV Boys Lacrosse Players:

Show your lacrosse player you are behind them this year by placing a break-a-stick ad in the 2011 program. You can share a special message, words of encouragement and any fond memories of your child. The player/senior ad format is another great way for you to celebrate your son.

Parents of seniors celebrate the class of 2011 by continuing the great tradition of placing a player/senior ad. The seniors love these ads with their pictures, lacrosse memories and your personal sentiments.

Ads may be purchased for ALL players and are due by April 8th, 2011

This is a great way to support your player and the lacrosse booster club as well.

Break-a-stick (message only) for \$15
