

Training Information:

The goal of this camp is to build up young boys and girls so they can reach their full potential as soccer players.

Players will receive both individual and team instruction at their age level.

Skills will be taught through small-sided games and activities as well as individual and team competitions.

Athletes will build relationships with the coaches and players at the high school.

The U-5, U-6, U-7, U-8 age group is guaranteed to challenge any level of soccer player, in a fun and safe environment.

The U-9, U-10, U-11 age group will emphasize skills to prepare them for the next level of soccer.

The Middle School Camp for ages U-12, U-13, U-14 age group will emphasize even more tactical development for the competitive or Club soccer player.

The camp is a tool used by Coach Heller, Coach Hall, and Coach Neinast to meet incoming freshmen before school starts.

Players will have the opportunity to earn fun prizes daily from our many sponsors. There will be daily competition winners, as well as, weekly camper awards.
