

FFJ Big Corkscrew Youth Soccer

Dear Business Owner:

Big Corkscrew Youth Soccer (BCYS) is a non-profit 501(c)(3) corporation. It is our mission to foster the physical, mental, and emotional growth and development of Collier County's youth through the sport of soccer at the recreational and all-star levels.

We are a NEW small nonprofit program that does not receive any governmental or grant assistance. Our primary revenue source is registration fees paid by families and donations received from generous individuals and businesses. We strive to keep the cost of the program affordable for all the Estates Area/Big Corkscrew families and financial stability is crucial to the success of this program, the kids and families that participate. Because we are new we need to raise money to provide appropriate sized goals and nets; benches and other equipment that will make the soccer experience just that much rewarding to all our players. In addition our hope is to continue to arrange for top-notch trainers. Unlike other programs in our area we want to insure that our kids get the best of the basics. BCYS also hopes to offers scholarships to players who would not otherwise be able to play and if they want to move up to the Florida Fire Juniors some type of fund to assist them in their first year.

To promote the above aspirations we are looking for sponsors like you who would like to promote your business and support Golden Gate Estates athletes and you get to provide this community support with a tax deductible donation!

Player sponsorships: Any donation under \$300 will go to help those who may need a little help in getting their child into the program or you may opt for a sponsorship of \$75 for one specific child.
