## Tournament Format:

Pool Play: The 8 participating teams have been divided into two pools of four teams each. Pool assignments have been seeded based on information gathered from participating teams for the 2017 spring season.

Friday's Pool Play will determine seeding for Saturday's championship flights. There will be Gold and Silver brackets. The 1<sup>st</sup> and 2<sup>nd</sup> teams of each pool will go to gold bracket and the 3<sup>rd</sup> and 4<sup>th</sup> place teams will go to the silver bracket.

**Pool Play Point System:** This point system will be used in Friday's Pool Play to seed Saturday's Championship flights. Pool winners will be determined based on points accumulated during pool play.

1. 3 points awarded for each win
2. 1 point awarded for each tie  
[A total of 3 points per match and 6 points total is possible.]

*Tie Breaker: Head to Head result within Pool. If the teams in question are still tied, then points from 3 and 4 below will be added to those accumulated in 1 and 2 above to determine a winner [placement].*

3. 1 point awarded for each shutout (including 0-0)
4. 1 point awarded for each goal scored (up to 3 goals per match)  
[A total of 7 points per match and 14 points total is possible.]

*If a tie still exists, then the following criteria will be used (in the order listed) to determine a winner [placement]:*

5. Cumulative goal differential (maximum 3 goals per game)
6. Fewest goals allowed
