

Collierville High School

Athletic Participation Agreement

Athlete's Name: _____

Grade: _____

Participating in athletics at Collierville High School is an honor and privilege. When an athlete puts on his/her uniform he/she represents all of the students at Collierville High School as well as the entire community. Athletes are leaders and role models and must conduct themselves as such. It is the responsibility of the parents, coaches, and school administration to ensure that our athletes always conduct themselves in a manner that reflects the highest level of sportsmanship, character, and honor. To this end, the following code of conduct will apply to every student participating in a sport at Collierville High School:

I will conduct myself in such a manner that my parents, school, and community are proud to have me represent them on the field of competition. I will strive to be an example for other students at Collierville High School both on and off the field. I will set the highest level of sportsmanship possible at all times.

I understand that, should I conduct myself inappropriately during an athletic contest, I will be disciplined for my behavior. This disciplinary action may include In School Suspension, Out of School Suspension, and removal from the team. (The same standards for conduct at school will be applied for behavior during athletic contests.)
