

LYONHEARTED KICKBALL TOURNAMENT

Jason Kelly Lyon

(June 16, 1998 - October 15, 2015)

Jason was 17 years old and entering into his senior year at Christian High School. Jason was one in a million! He was a mature young man who loved people, loved adventure and always brought a smile to the room. Jason brought joy to anyone with his witty humor and a generous love for others. Jason was intelligent with a 4.4 GPA and played 3 varsity sports (football, soccer and baseball). Jason had a love for the Lord that always encouraged him to learn more and to deepen his relationship with Jesus. Jason lived with many dreams for the future and was one day looking forward to serving the Lord as a pastor.

During baseball season in March of 2015, Jason began having vertigo and difficulty with his vision. He was struggling with a sport that was so natural to him. These symptoms continually worsened over the months increasing to weakness, numbness in his hands and difficulty walking. On June 25th 2015 Jason had an MRI that showed he had an extremely rare pediatric brain tumor called Diffuse Intrinsic Pontine Glioma ("DIPG"). DIPG is an inoperable brain tumor with no cure or treatment, and has a prognosis of 6-9 month survival rate.

With the news Jason responded, "I am blessed, the Lord has chosen me to glorify his kingdom!" Jason lived everyday he had filled with the Holy Spirit and the hope he knew he had Christ. The courage and strength Jason had was super natural and it was obvious God had made him special. There was never a day that Jason asked "Why" or felt pity for himself. Instead, he chose to see the Blessings and the Promises of God and the Hope he had in his salvation. Jason completed 6 weeks of brain radiation but his symptoms continued to worsen. He persevered with Gods amazing strength and blessed everyone he came in contact with. Jason had a mission to make heaven more crowded and to not waste a day sharing the gospel. In the midst of his suffering, Jason continued sharing God's love and the Hope we have in Him. Jason focused his last days to live with urgency and passion to change lives. Jason honored and glorified God and has left a legacy of Hope. He showed us how to walk with courage and that will never be forgotten.

Jason was truly one in a million. Though He slay me, yet I will hope in him. Job 13:15. Jason went home to be with the Lord on October 15, 2015. He will forever be remembered - pray we continue to live LYONHEARTED FOREVER!
