

Signs

- 1) The plan is to take the signs that are now OPEN that were renewed last year and assign them to players that currently do not have at least 2 signs. There are enough of these signs to assign 2 to all of the freshmen as well as upperclassmen that do not have at least 2 already.
- 2) After those are assigned the opportunity to email and ask for additional signs from the list will be available. Please do not ask for more than 2 of these signs at a time giving others an opportunity to raise funds as well. Once a sign is requested via email I will respond as to whether the request is approved. The only reason it would not be approved is if another person has already requested that sign.
- 3) I have current pictures of all signs. You may also request those if you need them to show the business.
- 4) Signs will be hung on the fence beginning at the road starting with senior signs first and in descending order by class.
- 5) All communication about signs and program ads should be sent to bhsssoftballsigns@gmail.com.
- 6) Last day to turn in new signs will be 1/11/19.
- 7) Please communicate if you contact a business and they do not wish to renew this year to us so we can track it and that business does not get contacted again this season.
- 8) All assigned signs not marked as contacted/renewed or contacted/not renewing by 1/11/19 will open up for other players to request assignment via email.
- 9) Last day to turn in sign renewals will be 1/31/19.
- 10) Last day to turn in program ads will be 2/28/19.
