

SCC S.W.A.T. Team's Motto

- Play for the name on the front of the jersey, not the back
- Don't let the fear of striking out keep you from playing the game
- How you practice is how you play
- The harder the battle the more glorious the triumph
- Its a rough road that leads to a height of greatness
- Winners practice until they get it right, champions practice until they cant get it wrong
- If you want something you have never had before, you have got to do some thing you have never done before

Mission:

To develop young women's strength and confidence in all aspects of life through teamwork, commitment, dedication, and competitive softball.

S.W.A.T. Fastpitch recognizes that young women benefit personally and academically from organized and competitive athletic endeavors, and that the playing fields provide opportunities for successful development of the character and qualities that students need to continue to the next level, in school and in life.

We are an organization of 9 to 16 year old young ladies who compete at high-level softball tournaments. SCC SWAT stands for Southern Chester County Softball with Attitude and Teamwork. It is a long name so we just call ourselves SWAT! We are proud to be part of this team because the organization is dedicated to help young ladies develop their strengths and confidence in all aspects of life through teamwork, commitment, dedication, and competitive softball.

There's a financial cost for travel softball: usage fees for fields and indoor facilities, tournament fees, uniforms, helmets, gear, equipment, balls, pitching machines, nets, training tools, etc. that are paid for by the organization in the form of dues. The organization will hold fundraisers and seek sponsors to help offset the cost of playing competitive travel softball throughout the season.

SWAT is working very hard even as you read this letter. We practice all year long, which means we need to rent facilities so we can practice during the cold months. We are reaching out to the business community to possibly assist in offsetting some of our expenses. Your company was brought to our attention as someone who may be willing to help.

Why should you sponsor SCC SWAT?

Studies have shown that girls who participate in athletics:

- Do better in school
- Have higher self esteem
- Are less likely to do drugs
- Develop leadership skills

Furthermore, look what we have for you if you choose to sponsor these young ladies:
