

AHS Baseball Stadium Sponsorship Guide

AHS Baseball has several field improvement projects currently needing funding. The school district helps when possible, but most projects have to be privately funded. AHS has a robust baseball program with nearly 100 student participants each year, and sponsor donations are instrumental to the success of our program.

Friends of Atascocita Baseball is offering the following advertising opportunities for field signage to assist in raising funds for these projects. All signs are 4' X 8' metal (Alumibond), the number in parentheses is the number of signs allocated for that field position.

Recognition signage spots available for Stadium Sponsorships are available as below:

- 1) \$3,000/year (4) Center Field Positions
- 2) \$2,750/year (8) Left Field Positions
- 3) \$2,750/year (8) Right Field Positions
- 4) \$2,500/year (2) Foul Pole Positions – These are taken

There is no requirement to sponsor for multiple years; but if sponsor pledges a donation for 3 years or more, then the donation for years 2 and 3 can be reduced by 10% for the same signage. Stadium Sponsors will be announced at each home game, along with being listed on the official AHS baseball website.

FoAB will provide the signage with your logo (provided by you in vector or .png format) to maintain a uniform look in the field as required by the school district.

Friends of Atascocita Baseball is a 501c3 organization that exclusively supports the AHS Baseball Programs needs and can provide our exemption for tax purposes.

FoAB and AHS baseball appreciates your consideration of a donation to the team and program.

AHS BASEBALL PLEDGE

_____ *pledges* _____
dollars/year for a total of _____ *years.*
