Our goal is to photograph the student athlete with LIVE action shots during a up-coming game or competition. This Extended Coverage includes a few staged poses with equipment prior to the game at the field.

After one-hour, there will be approximately 40-50 edited images released as high-resolution JPEG files. Just keep in mind that the quantity of LIVE action shots can be limited depending on the athlete's actual playing time or weather conditions. **ASK FOR MORE DETAILS AND PRICING.**

**PAYMENT MUST BE MADE IN CASH OR CHECK ONLY.  
PLEASE MAKE CHECKS PAYABLE TO LARRY ROELS.**
