Meetings of the Baldwinsville Baseball Booster Club, Inc. are regularly scheduled for the first Monday of the month at 7:00 p.m. at Durgee Junior High School in Baldwinsville, New York. Meeting dates and times will be adjusted as needed to ensure maximum potential for attendance.

The meetings of the Baldwinsville Baseball Booster Club, Inc. are open to the public, and all are welcome to attend and listen to the proceedings. If an individual or group of individuals wish to address an issue, proposal, complaint, etc. they should notify the Secretary no later than 10 days prior to the date set for the meeting in which the individual wishes to address the club. They should also indicate the amount of time requested on the meeting agenda. The 10 days are requested to allow for the Secretary to place the individual (or group of individuals) on the agenda and allow sufficient time for the discussion of the topic at hand, while accommodating the regularly scheduled agenda topics. Voting on any issues will be limited to the parents/guardians of players rostered to a team that particular year. No player will be allowed to vote.

The election of officers of the club is held during the June meeting. The Committee Chairs are established prior to the start of the season, during the February or March meetings.

PRESIDENT

The president of the club will be responsible for conducting the monthly meeting in an organized fashion. An agenda will be provided for each meeting. The president will be the link of the club to the coaching staff. The president is the chief executive officer.

All other officers and committee chairs report to him or her. All official reports will be signed by the president of the club. The president has the authority to approve any expenditure up to \$150.00. These expenditures must be detailed in full at the next regularly scheduled booster club meeting with complete details. The purpose of this authority is to expedite a minor purchase so that all participants/players have the opportunity to have necessary equipment/supplies/etc. to function as desired.

VICE PRESIDENT

The vice president of the club will be responsible for assisting the president and carrying out the responsibilities of the president in his or her absence.

TREASURER

The treasurer shall receive and safely keep all funds of the club, disburse funds as ordered by the club, prepare budgets, reports on the status of funds, and maintain all financial records. The Treasurer's books are subject to inspection by the Board or an Executive Committee established by the club.

REGISTRATION FEES

There are no fees to be a member of the Baldwinsville Baseball Booster Club, Inc. There may be fees for players to participate in baseball summer programs. Team selection is not an issue the Baldwinsville Baseball Booster Club, Inc. addresses. The high school baseball coaching staff selects coaches for some of these teams. Other teams may conduct tryouts and hold a draft. Fees, if applicable, will be the responsibility of the

participating player, unless the Baldwinsville Baseball Booster Club, Inc. elects to pay these fees for an entire team.

Players are expected to raise funds for the program. This money is needed to pay for program related activities.

FUNDRAISING

The Baldwinsville Baseball Booster Club, Inc. will conduct various fundraising activities throughout the year. This is our major source of income to provide the various services/programs/etc. that we support. All players are encouraged to do their fair share in helping to raise this money. No player will be forced to participate in these activities. However, encouragement in supporting these activities is in everyone's best interest since the money raised helps the club to support the baseball program.

If a team has the opportunity to travel (i.e., an extended trip with Board of Education approval), it will be expected to fundraise for the expenses to be incurred. This fundraising effort can take place during the off-season. All of the money raised during the fundraising event will be designated for that event. Any differences in expenses versus income will be the responsibility of the team involved. The team can have individuals that did not participate in the fundraising event(s) pay their way, or any other method that they feel is appropriate. The Baldwinsville Baseball Booster Club, Inc. can, if it desires, provide a donation to help the fundraising efforts of the team. However, the club is charged with raising money for ALL of the participants in the program, and we must remember that funds cannot be used for only a small percentage of players.
