

Boca Raton Little League Financial Aid Application

All information provided will be kept confidential

Boca Raton Little League has a scholarship program available to those who need financial assistance. The program relies on donations to our Every Child Plays fund, so the number of scholarships is limited. Each application is reviewed, and aid is granted on a case-by-case basis. Aid is not guaranteed and may only cover a portion of your BRLL enrollment fee. If awarded, scholarships are good for one season of baseball. Please fill out the following information and submit to our board for consideration. Form can be emailed to info@bocalittleleague.com.
