

## TIMBERWOLVES BASEBALL BOOSTERS

# *Booster Meeting At-A-Glance*

Congratulations on your son making the baseball team! As we move into the start of the season, there is a lot of information to share with our TBB Boosters (parents of players). This packet has been prepared for you to learn of what is to come with the season ahead. All this information can be overwhelming, but don't fret as we will discuss everything in further detail at the parent booster meeting on Tuesday, January 28<sup>th</sup>. We ask that at least one parent of each player attend. So, come prepared, with questions and checkbooks!

### **WHAT TO EXPECT**

The meeting begins at 6:30pm on Tuesday, Jan. 28<sup>th</sup>, 2020 and will last about an hour or so. Please arrive a little early to visit each station. Checks for purchases or payment of balances will need to be written separately for accounting purposes.

If you have not fundraised at least 600 cash points by 1/28/2020, the initial player fee of \$400 is due at this meeting. Checks can be made out to TBB, note memo as 'player name - initial player fee'. This \$400 will go toward your player cash point balance. See Cash Point Overview form for more details – we will also discuss further at meeting.

# *Sign Sponsor Listing*

Sign sponsorships are one of the most successful ways a player can earn cash points. When a player secures a sign sponsorship, it becomes assigned to them. This assignment will remain with that player for the duration of their tenure in the program. When a senior player graduates in May and has an incoming freshman sibling who makes the team that following January, the assignment will carry-over and remain with the sibling. Senior players who graduate in May with no freshman sibling entering the program or not making the team that following January, will have their sign sponsor(s) unassigned and released. Players in the program can then secure a possible renewal of the unassigned sign sponsor(s) through a specific process put in place by the TBB Board. This process will occur in February and details explained at that time.

**The following sign sponsors are assigned to current Chiles players and should only be contacted by that respective player.** If a business/sponsor is not listed below, please feel free to solicit a sponsorship from them and have all paperwork and logo submitted by March.
