

CHS DiamondBackers
Covington High School Baseball
2021 – 2022

Dear Friends,

The baseball program at Covington High School is looking forward to an exciting season. Our coaches work hard to provide our student-athletes with a quality baseball experience each year. Along with our coaches, we work diligently throughout the year to raise funds to help cover the cost of uniforms, equipment, tournament, travel fees and to maintain a first-class facility.

Your participation in our program is crucial to our efforts. By investing in our program, you will help provide our young men the opportunity to take CHS baseball to an exciting new level.

Our current sign campaign is well underway. This campaign has brought us much success over the past years. All signs are constructed with a weatherproof material and have gromets in each corner for added durability. The purchased signs will be displayed in their designated area from February 1, 2022, thru January 31, 2023, which includes the 2022 spring and summer baseball season.

For your review, we have enclosed all our sign campaign information. Any contract may be used for either a new sign commitment or the renewal of an existing sign.

We are encouraged by the fact that you are an avid follower and supporter of America's favorite pastime, baseball. We thank you in anticipation of your positive response. If you have any questions, please do not hesitate to contact Coach Jeff Dragg at jeff.dragg@stpsb.org or myself at 985-630-0024 or via email at chsdbackers@gmail.com.

Sincerely,

BethAnn Perrilloux
