

Thank you for taking the time to review the opportunities to sponsor Raptor Baseball. We are coming off another exciting year as we continue to see these young athletes develop. The players and coaches are excited to take Raptor Baseball to the next level and continue to compete at the highest level in CHSSA 5A Centennial League, Colorado American Legion Baseball, and Prep Baseball Report showcases.

During our spring season, we play an average of 40 home games for all four levels of teams (Freshman, Sophomore, JV, and Varsity). We average 70-90 fans per game on the low end. During the summer, we play 60-70 games on our EHS baseball field. We have hosted 5 Colorado American Legion Baseball Tournaments since 2015. In addition, we are a host site for additional 3 – 6 tournaments every summer. Again, on the low end, 8,400 spectators are viewing your logo and advertisements during these seasons. It is also important to point out that besides teams from all over the metro area; we host teams from Greeley, Grand Junction, Fort Collins, Colorado Springs, and Wyoming. Quite often, these teams are inclined to utilize your services after every game! (and 100's of photos posted to social media with signage in the background)
